About the Conference

The UGC-Indexed One Day Virtual National Conference on 'Environment Conservation: Philosophy, Policy & Ethics' aims to become the leading annual conference in various fields related to environmental pollution, treatment and protection. The goal of the National Conference is to gather scholars from all over the world to present advances in the relevant fields and to foster an environment conducive to exchanging ideas and information. This conference will also provide an ideal environment to develop new collaborations and meet experts on the fundamentals, applications, and products of the mentioned fields. With recently happened incidence of Uttarakhand glacier burst on February 5/6, 2021, the awareness towards an Environment becomes important & so this Conference becomes more important to be organised.
