

About Jaipur

Jaipur, popularly known as the Pink City, is the capital of Rajasthan, India. Jaipur is famous across the world for its unique Architecture, Forts, Monuments, Palaces, Art and Craft, Culture and finally for its unique Food. Jaipur was founded on 18th November 1727 by Maharaja Sawai Jai Singh II, a Kachawaha Rajput, who ruled from 1699-1744. Initially his capital was Amber (now Ajmer), which lies 11 km from Jaipur.

Jaipur is renowned on international tourism map as one vertex of Golden Triangle of Indian tourism, along with Delhi and Agra. Much has been written on the beauty of Jaipur city by tourists, both Indian and foreigners. Countless documentaries have been made on Jaipur in the last century. Main tourist attractions of Jaipur are Ajmer fort, Nahargarh Fort, Jaigarh Fort, Jai Mahal, Hawa Mahal, City Palace, Galta temple, Birla temple, Govind devji temple and Albert hall museum. Jaipur is also known for its traditional fabric market that offers a large variety - Bandhej, Lehria, Mojri, Sangneri, and Bagru prints - along with different kinds of jewellery and gemstones.

About Manipal University Jaipur

The Manipal Education Group, with its heritage of excellence in higher education for over 67 years, launched Manipal University Jaipur (MUJ), in 2011. The permanent campus of the university is set up on 122 acres of land at Dehmi Kalan village near Jaipur. NIUJ has world class infrastructure, including state-of-the-art research facilities. The university offers courses at all levels, i.e., UG, PG and Doctoral, and across diverse streams, including Engineering, Architecture, Planning, Fashion Design, Hospitality, Allied Health Sciences, Humanities and Social Sciences, Commerce, Management, Communication, Basic Sciences, Fashion Design and Jewellery Management, etc. Manipal University Jaipur achieves another milestone with NAAC (National Assessment and Accreditation Council) A+ Accreditation.

The Manipal Education Group has been an inspiring leader in the fields of education, research and healthcare for a span of over six decades. The group includes five universities, namely Manipal University (Manipal, Karnataka), Sikkim Manipal University (Sikkim), American University of Antigua (Caribbean Island), Manipal International University (Malaysia) and Manipal University Jaipur. Some of the proud alumni of Manipal group are Satya Nadella, Rajevee Suri, Vikas Khanna, Dr Sheikh Muszaphar Shukor, Dr Annapurna Kini, Nithya Nlenen, Nag Ashwin, and Esha Gupta.

About The School of Law

School of Law started in year 2014 has grown in leaps and bounds and have a strength of 700+ students at present.

The Manipal University Jaipur forayed into the field of legal education by introducing Integrated BALLB (Hons), BBALLB(Hons), Bachelor of Law (LLB), Master of Law (LLM), and PhD programs in study. As an institution of Excellence School of Law is dedicated to fostering and inculcating the intellectual and ethical values in the students.

The School of Law is committed to the evolution of law as an instrument of social change, efforts are being made to expose students to practical realities. The teaching methods adopted for the programs offered involve lectures, discussions, case studies, Moot Courts and project work that will facilitate students to promote multi-disciplinary inquiry and practical appreciation of problems.

The School is approved by BAR Council of India.

About Bio Forensics Research Center, Italy

Bio Forensics Research Center was born with the goal to produce scientific activities in the forensic biology field. An important part of the research task will focus on the detection of the biological evidence and on the developments of protocols and new methodology in order to improve the identification and the collection of the evidence.

Bio Forensics Research Center started already the procedure for partnership with many universities, Italians and internationals. The aims of the research center are to improve the scientific support to the Justice system
