The International Conference on Financial Prospects (ICFP-2022) is a prestigious academic event that will take place in the breathtaking city of Kannauj on March 24–25, 2022. The conference offers an unparalleled opportunity to network with the world's leading minds, receive feedback on your research, present your findings, and interact with fellow academicians.

The purpose of ICFP-2022 is to provide an interactive forum for academicians, corporate executives, practicing managers, and scholars to exchange perspectives on recent advancements in finance and their influences on business, industry, and the economy. The conference's outcome and recommendations are expected to provide intelligent direction for effective policies, plans, and strategies for business, finance, and economics practices worldwide in the near future.

Themes Included (but not limited to)

- Financial Econometrics
- Financial Regulations
- Securitization
- Corporate Finance
- Start-up Finance
- Sustainable Finance
- Financial Management
- Public Finance
- Fintech
- Other related area

Best Presentation Award

ICFP 2022 invites submissions of original research articles that make significant new contributions to related fields of study.

- E-certificate will be awarded to all registered participants.
- Conference will be held via Zoom platform.
