Journal of Women Law and Policy

(Volume II, Summer Issue 2022)

About the Journal

Being the meeting point of all kinds of talent in the legal arena, Symbiosis Law School occupies a place of pride among the flagship institutions of the Symbiosis International University. Symbiosis Law School "epitomizes" excellence in legal education. It embodies the essence of 'Symbiosis' 'which means living together for mutual benefit'.

Symbiosis, thus, has created a benchmark in the field of global education through its contribution to various educational, corporate, and legal sectors. It is continuously evolving and expanding beyond the home state borders, inculcating competencies for inclusivity, adaptability, and expertise for all those who wish to enrich themselves. SYMBIOSIS LAW SCHOOL, NAGPUR is one such endeavor of Symbiosis International (Deemed University), which began its travel to achieve its goal, of producing expert graduates and postgraduates in Law (B.A.L.L.B; B.B.A. L.L.B and L.L.M) laced with knowledge in philosophy and in business and to be one of the best Law colleges in the country, by providing a fertile ground to the students for being an efficient lawyer, a truly cosmopolitan and a responsible contributor to universal jurisprudence. Embarking on this journey through scholarly events like Multidisciplinary Conferences, International Seminars, Judges Lecture Series, and International Guest Lecture Series results in the promotion of research. Furthermore, producing reference books and journals of its own.

Following the same, in each issue of the Journal of Women Law & Policy the articles, notes, case comments, and reviews enhance and maintain discourse on women's concerns. The Journal publishes articles by professors, judges, and practitioners. The Editorial Board of the Review requires the submissions to be strictly adhering to the theme of the journal and contributing to the discourse on areas of concern. A scrutinized editorial process is employed while editing each submission, irrespective of the author. An open column would be provided for our readers to raise contemporary issues that, in their opinion, warrant debate and deliberation.

The Journal of Women Law & Policy wishes to promote and reflect the ideals and pillars of thought that accompanies Symbiosis International (Deemed University). It is yet another attempt to pay tribute to our motto "Vasudhaiva Kutumbakam—the world is one family" as it aspires to bind as many law aspirants and legal minds in our common pursuit to objectively perceive the world in the perfect balance of scales.
