TNNLU FINANCIAL ASSISTANCE SCHEME

Tamil Nadu National Law University (TNNLU) was established by the Government of Tamil Nadu to provide high quality legal education at the global level. TNNLU is aware that quality legal education needs to be made accessible to students from all sections of the society. The progressive reservation and scholarship policies of the Government of Tamil Nadu has ensured that students from marginalized sections of the society have got admission to TNNLU. But, the cost of education which includes the tuition fee and other user charges is still a barrier for many meritorious students from economically weaker families. With a view to making access to legal education more inclusive, TNNLU has evolved this “TNNLU Financial Assistance Scheme”.

Scope of the policy

- 1) This scheme covers the financial assistance granted by TNNLU alone. Such assistance shall be called “TNNLU Financial Assistance Scheme”. However, for external scholarships granted by the government or other agencies, the institutional mechanism created by this policy shall act as a facilitator if the applying students so desires.
- 2) “TNNLU Financial Assistance Scheme” shall include full or partial waiver of any kind of fees and charges.
- 3) This scheme shall cover all courses offered by TNNLU and all years of study in the respective courses.
- 4) “TNNLU Financial Assistance Scheme” will be provided to a student either for the entire duration of a courses or for a part of such course.
- 5) This scheme shall come into force from the date of approval by the Executive Council of TNNLU.

Eligibility

- 1) Students eligible for “TNNLU Financial Assistance Scheme” shall be selected solely on the basis of financial ability of their families.

- 2) In the case of undergraduate students, repeated poor academic performance as a result of willful neglect by students will result in ineligibility for the assistance for the subsequent academic year, provided such decision is taken by the committee constituted for this purpose after giving a fair hearing to the student. On the basis of student demonstrating his/her commitment to academic activity in the subsequent year, he/she may be rendered re-eligible.
- 3) Proven involvement of the student in any act of grave indiscipline or failure to secure minimum mandated attendance for non-justifiable reason or misrepresentation of facts for securing the "TNNLU Financial Assistance" may render the student ineligible for "TNNLU Financial Assistance Scheme" in the subsequent years.

Selection Committee

All decisions on the selection for "TNNLU Financial Assistance Scheme" and the quantum of assistance shall be taken by a Selection Committee. The Selection Committee shall consist of the following members:

- 1) The Registrar.

- 4) The Selection Committee must consider the contribution of the applicant to TNNLU through extracurricular activities, co-curricular activities, voluntary work, social work, or other initiatives demonstrating potential for grant / continuation of such assistance.
- 5) The external scholarships availed or available for the student from government or other entities shall be taken into consideration while deciding on the quantum of TNNLU financial assistance.

- 9) The award of financial assistance to a student, including details of the exact nature and quantum of assistance, shall in all cases be intimated to concerned parent/guardian.
- 10) In the event a student who had successfully obtained an external scholarship earlier is suddenly deprived of it, or if a student of TNNLU who had not applied for financial assistance suddenly faces a change in his/her material circumstances threatening his/her ability to continue his course in this institution, the Selection Committee is empowered to provide emergency temporary financial assistance. The Selection Committee shall convene a special meeting for this purpose or may even take a decision by circulation for this purpose.
- 11) Any student aggrieved by any decision of the Selection Committee may appeal before the Vice-Chancellor.

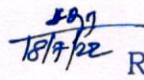

Power of Executive Council to Review

The financial assistance requested, granted and rejected during every academic year shall be placed before the Executive Council at its next meeting along with the decisions taken on appeal to the Vice Chancellor. The Executive Council shall have the power to review and if necessary, revise any decision taken regarding the award or rejection of financial assistance.
