ABOUT THE COURSE:

Legal Drafting and Research are the two crucial pillars on which the foundation of legal practice is based and it is imperative for any legal practitioner to learn and hone his drafting and research skills from time to time. The Course on Legal Drafting and Research is designed by lawyers and legal professionals for law students and law graduates.

This course will teach you the rules and principles of legal drafting and along with that, there will be in-depth training on drafting specific documents like a legal notice, agreements, plaint, written statements, consumer complaints, writ petition, and many other documents.

Lectures will be conducted by lawyers and academicians and the exact dates of the lecture will be mailed to you 4-5 days prior. The webinars will be optional and it is your discretion to attend the webinars.

COURSE MODULES:

Module 1

Introduction and Basics of drafting a Legal Document

Module 2

Drafting of Legal Notice

Module 3

Drafting of Agreements

Module 4
