# **CENTRE FOR CLINICAL LEGAL EDUCATION**

The Centre for Clinical Legal Education was established in 2017 at MNLU Mumbai with the aim to discharge its social responsibility with zeal for institutionalizing the mission of social justice. The lack of awareness about rights and remedies in Law has led to massive manipulation and a steady growth of crimes. The Centre for Clinical Legal Education aims to tackle issues that people face in different realms of life by educating them about laws and making an impact. The university has therefore established the Centre for Clinical Legal Education in order to facilitate advanced learning of law and its incorporation into society.
