# ABOUT THE FAIR

We are pleased to announce an upcoming LL.M admission fair, which is an online event designed for Indian students who are interested in pursuing a Master of Laws (LL.M) degree from foreign universities. The fair is organized with the goal of providing students with a platform to interact with representatives from various universities, gain insights into LL.M programs, and receive information about the admission process.

The LL.M admission fair will feature virtual booths representing several foreign universities. Students can explore these booths, access brochures, videos, and other resources, and engage in live chats with university representatives. Additionally, students can attend webinars and panel discussions on topics such as selecting the right LL.M program, preparing for the application process, and understanding the visa requirements.

The fair is an excellent opportunity for Indian students to gather information and insights from multiple universities in one place, helping them make informed decisions about their future education. We are confident that this event will be beneficial for students who are interested in pursuing an LL.M degree from foreign universities.

- **List of Universities Participated with us in the last edition:**

- 1. SOAS, London**
- 2. Swansea University**
