## ABOUT IP ASSISTO

IP Assisto is committed to disseminate awareness and carry out research in order to contribute towards robust Intellectual Property Rights (IPR) regime in India. We encourage creativity and innovation among people which would eventually lead to an informed generation pertaining to Intellectual Property (IP). The vision will be accomplished by providing support and guidance to each and every person in need of protecting their inventions and creations. The initiative will familiarize all stakeholders with the importance of Intellectual Property laws in today's technology driven society and provide them a platform for int encouragementIP Assisto has conducted many sessions, workshops, trainings etc in past pertaining to various aspects of IPR.

## ABOUT SUMMER SCHOOL

IP Assisto is organizing the second edition of Virtual Summer School. This program aims to provide undergraduate law students and professionals with an opportunity to understand the Intellectual Property (IP) system, the international IP system functions and its intersection with other policy areas such as health, technology, climate change and agriculture, etc. It will acquaint them with an overview of IPR laws in India which can meet the demand of the changing scenario of IPR domain in today's epoch. It will also disseminate benefits and cost of IP protection and its implication of society at large by providing insight into practical applications of IPR such as patent drafting, patentability search, and freedom to operate search, validity/invalidity search and evidence of use analysis.
