ABOUT US

On June 7, 2017, the late Prof. (Dr.) N. R. Madhava Menon inaugurated this institution; since then, Christ Academy Institute of Law (CAIL) has strived to turn law and legal processes into effective tools for social development and to instill in students and researchers a sense of duty to serve society through advocacy, legal services, legislation, law reforms, and related activities. Students from all across the country call Christ Academy Institute of Law their Alma Mater. Our motto 'Light to Enlighten' sticks with our actions which allows the accomplishment of our ultimate goal, which is to be regarded as the model of excellence.

CAIL conducts extraordinary activities to help each student discover their unique talents. Every student has the chance to develop their skills and shine here. We are excited to announce our inaugural Law & Cultural festival, 'VENUSTA 2023'.

GREETINGS FROM SBA

The Student Bar Association at CAIL is proud to present you with the first and inaugural edition of Venusta, an annual event custom stitched to showcase the wealth of skills within CAIL and throughout India. One of the primary requirements for the development of a society is the presence of a platform for the society to express itself. Venusta 2023, therefore, acts as a guide-light, taking students to places they ought to be for showcasing their talents and growth.

True glory lies in absolute clarity and trueness in their work. Rest assured; the participants will feel this commitment being showered upon them to make sure that the day ends only to the beats of the DJ and not to the losses one had to bear for another contestant to win.

VENUSTA 2023

Venusta, a two day event, filled to the brim with talents in all forms and varieties. Scheduled on the 25th and 26th of one of the most cultivable months of the year, August, Venusta is all set to focus on the students and their capabilities to truly express themselves. Continuing the spirit of independence, Christ Academy Institute of law intends on hosting thousands of students this year.

'Venusta 2023!' A grand event that brings together legal experts, law students, and cultural enthusiasts from across the country to showcase their talents and celebrate our diverse heritage.

'Venusta 2023' promises to be a one-stop destination for all things law and culture. Explore the latest legal developments, gain new insights into emerging trends, and network with top legal professionals and cultural influencers.

With a range of engaging events and thought-provoking sessions, 'Venusta 2023' is the perfect platform for anyone looking to expand their knowledge, enrich their cultural experiences, and have a great time. Join us for this unforgettable celebration of Law and Culture - see you there!

Whether you're a law student looking to hone your advocacy skills or a cultural enthusiast looking to showcase your talents, 'Venusta 2023' has something for everyone.
