

# Rajiv Gandhi National University of Law, Punjab

## Two Credit Course on Data Privacy - Understanding Laws and Concepts

**AUGUST-NOVEMBER 2023**

# ABOUT RGNUL, PUNJAB

Rajiv Gandhi National University of Law (RGNUL), Punjab, was established by the State Legislature of Punjab by passing the Rajiv Gandhi National University of Law, Punjab Act, (Punjab Act No. 12 of 2006). The Act incorporated a University of Law of national stature in Punjab, thereby fulfilling the need for a Centre of Excellence in legal education in the modern era of globalization and liberalization.

In 2015, RGNUL became the first and the only NLU to have been accredited by the National Assessment and Accreditation Council (NAAC) with an 'A' grade. In 2018, RGNUL was amongst the four NLUs to have been granted an autonomous status by the University Grants Commission.

# COURSE DESCRIPTION

Data is the new oil as they say it and has become an important asset for the organisations. Technology is acting as double-edged sword. It is imperative to focus on protection of data. Therefore, this course has been designed to make students understand the data privacy laws around the globe and how Indian laws are shaping up.

This course will equip students with recent data privacy laws present across the globe like GDPR, CCPA, Canadian Data Privacy Law. Also, this course will further help student in enhancing the knowledge of Indian Data Privacy Laws and regulation like Information Technology Act, it's rules and upcoming The Digital Personal Data Protection Bill.

## LEARNING OUTCOME

At the end of this course, the students will have sufficient knowledge of Data Privacy Laws and their relevance in today's digital era.

## PEDAGOGY

The lectures would be in seminar style, wherein there would be active engagement with the students to gauge their responses and develop their thinking process.
