

**DEPARTMENT OF CONSTITUTIONAL LAW AND LEGAL ORDER**

**School of Law, Gujarat University, Ahmedabad**

**ORGANISES**

**NATIONAL CONFERENCE ON**

**SUSTAINING LIVES: EXPLORING THE INTERSECTION OF HEALTH,  
NUTRITIOUS FOOD, AND LAW**

**Sunday, 3<sup>rd</sup> September, 2023**

**About Gujarat University:**

Gujarat University is ranked as the #58 University in the NIRF Rankings, and has emerged as the #1 University under the Gujarat State Institutional Ranking Framework recently. The spirit of ingenuity and innovation reigns supreme at Gujarat University, a fact best represented by its emerging in the top 10 Institutions in India in the Atal Rankings of Institutions on Innovative Achievement (ARIIA) Rankings, a flagship initiative of the Ministry of Education, Government of India.

**About Department of Constitutional Law and Legal Order:**

Department of Constitutional Law and Legal Order, a constituent department of School of Law, Gujarat University, was established in 2019. It aims to add newer magnitudes in legal education that would integrate international standards. The Department of Constitutional Law and Legal Order has rapidly emerged as a pioneering institution offering a specialized LL.M (Master of Laws) program. This program stands as a beacon of knowledge and expertise in the realm of constitutional law, equipping legal scholars with an in-depth understanding of the intricate dynamics that shape a nation's legal framework. As an embodiment of academic excellence and legal enlightenment, the Department of Constitutional Law and Legal Order continues to shape legal professionals who are poised to navigate the complexities of constitutional governance and contribute meaningfully to the advancement of justice and democratic principles.

**About the Conference :**

Our world is undergoing profound changes, from the emergence of ground breaking biotechnological innovations in food production to the realization that access to nutritious sustenance is not just a privilege, but a fundamental human right. From the ethical

dimensions of biotechnological innovations to the regulatory frameworks that safeguard public health through food safety, this conference is a comprehensive exploration of the intricate tapestry that sustains lives. In an era of rapid technological advancements, evolving dietary trends, and increasing awareness of the critical link between nutrition and well-being is need of the hour. This conference serves as a pivotal platform for interdisciplinary dialogue and innovative insights. This conference seeks to ignite discussions on how we can collectively navigate the challenges and opportunities presented by the intricate relationship between health, nutritious food, and the laws that govern them. The "Sustaining Lives, exploring the intersection of health, nutritious food, and law" conference is a platform for experts, professionals, Academicians, Scientists, researchers, and thought leaders from diverse fields to converge and engage in meaningful discussions on the multifaceted relationship between health, nourishment, and the law.
