ABOUT SATHYABAMA

Sathyabama is a prestigious institution which excels in the fields of Engineering, Science and Technology for more than three successful decades. It offers multi-disciplinary academic programmes in various fields of Engineering, Science, Technology, law, Dental Science, Pharmacy, Nursing, Management, Arts and Science and Allied Health Sciences. It is established under Sec.3 of UGC Act, 1956 and is been Accredited with 'A++' Grade by the National Accreditation and Assessment council. The Institution persistently seeks and adopts innovative methods to improve the quality of higher education and is responsive to the changes taking place in the field of education on a global scale. The Institution has a team of dynamic and outstanding faculty, innovative pedagogical practices, state of the art infrastructure and world class Research Facilities. This glorious Institution is functioning under the dynamic leadership of Dr. Mariazeena Johnson, Chancellor, Dr. Marie Johnson, President, Mr. J. Arul Selvan Vice President and Ms. Maria Bernadette Tamilarasi, Vice President and Ms. Maria Catherin Jayapriya Vice President.

Sathyabama has a good presence in rankings and ratings at National and International level. The Institution has been ranked in 51st position by the National Institutional Ranking Framework (NIRF), Government of India among the Universities in India for the year 2023 and ranked one among the top 100 Universities for eight consecutive years. Sathyabama is ranked among the Top 5 Institutions in the Country for Innovation by ATAL ranking of Institution for Innovation Achievements, Govt. of India. Times Higher Education and QS has ranked Sathyabama among the top Institutions worldwide. Sathyabama Institute of Science & Technology has alliances with leading Universities and research establishments at National and International Level. It is a research intensive University with world class laboratories and research facilities and is involved in research in the emerging areas of Science and Technology. Sathyabama has undertaken various sponsored and collaborative R&D projects funded by National and International Organizations. Sathyabama has written a special page in the history of space research on 22nd June 2016 with the launch of "SATHYABAMASAT" in association with ISRO.

Sathyabama has emerged as a leading Institution and achieved excellence in higher education to international standards owing to its research and academic excellence.

ABOUT SCHOOL OF LAW

Legal education is at a pivotal moment right now and Sathyabama School of Law is evolving to address the society's need by adding value to the students learning to serve society and spirit of community is an integral part of our curriculum. Ever since its inception, School of Law has stood by its strong dedications to the study of law and interdisciplinary approaches to law and the focus is on real-world skills required to be ready for practice.

School of Law is defined by its way Legal Education is imparted and the school is keen on investing for students' intellectual and personal development. School of Law functions with most dynamic leadership programs, events and initiatives that help students gain a deeper understanding of leadership and carry leadership qualities. In the process, students grow as engaged leaders on campus, in the community, and beyond. School of Law is well known for its discipline, exposure and qualified faculty and their commitment.

Sathyabama School of Law aspires to be an internationally renowned Centre for research and teaching in law. School of Law is dedicated in advancing human dignity, social welfare and justice through knowledge of law.

Our courses are academically rigorous, informed by the latest research. Courses are taught by dedicated, efficient and industrious faculty and a cadre of intellects that includes respected judges and experienced practitioners. We work with a wide variety of groups including the legal profession, policy makers, research bodies and organizations. This reflects our strength in many fields of legal and socio-legal research, and this give our students the opportunity to interact with internationally respected scholars.

Our programmes will prepare students for a career in the legal profession and beyond. The curriculum has been designed to provide with a strong foundation in the core subjects coupled with opportunities to pursue optional courses in areas of undergraduate's choosing.

AIM

The evolving concept of sustainable development seeks to meet the needs of the present without compromising the ability of future generations to meet their own needs. It involves balancing economic, social, and environmental considerations to ensure long-term well-being and prosperity for both people and the planet. The National Conference on Sustainability and Development Initiative organised by Sathyabama School of Law, aims to provide a forum for the much needed discussion on the present era of sustainable development and the complex issues surrounding it. This conference brings together participation and collaboration from researchers, students and academicians to promote sustainable development and its long-term vision in a global perspective using a holistic approach.

OBJECTIVES

- Knowledge Exchange: Facilitate the exchange of knowledge, experiences, and best practices related to sustainable development initiatives and solutions.
- Awareness Building: Raise awareness about the importance of sustainable development, its challenges and the need for collective action.
- Policy Discussions: Engage in discussions and dialogues on policy frameworks, regulations and strategies that promote sustainability at local, national and global levels.
- Goal Alignment: Align efforts with international sustainable development goals, such as the United Nations Sustainable Development Goals (SDGs), to work towards a shared vision of sustainability.

PRESENTERS

The School of Law is providing a forum for the discussion of well-researched papers through the Conference. Faculty members, Judicial Officers, Advocates, Research Scholars, and Students, among others, are invited to submit quality research articles in the given areas.

ATTENDEES

An opportunity for students from undergraduate, postgraduate, and doctoral qualifications, academics and scholars, practitioners, consultants, researchers, and policymakers from different backgrounds across the world to present their papers in the conference and to discuss their experiences, findings or issues, new ideas, research results, as well as any practical challenges encountered and/or the solutions adopted during their work.

PAPER SUBMISSION PROCESS

• **Step 1: Abstract Submission**

The basis for acceptance of paper is by reviewing the abstracts. An abstract between 150 – 300 words along with 3-5 keywords, clearly summarising the arguments and perspective of the author, should be submitted on or before the last date.

• **Step 2: Acceptance and Notification**

An official mail would be sent to authors informing its decision on acceptance of paper after the submission of abstracts.

• **Step 3: Registration**

After final selection of the abstract, the authors/co-authors will be required to complete the registration procedures.

Co – Author Registration: If co-author[s] is also presenting/attending the conference, each co-author is requested to register separately.

Registration fee shall be Non-Refundable and no further registrations will be accepted after the prescribed date.

• **Step 4: Final Paper Submission**

The academic papers for which abstracts have been accepted and registered for the conference will be accepted for final paper presentation on the final day of the event, following a blind review process. The papers must be submitted before the deadline, complying the paper submission guidelines. Selected research papers will be published in an edited book with ISBN Number, papers not complying with the guidelines will not be accepted for publication. The Decision of the Editorial Board shall be final.
