ABOUT RAMANUJAN COLLEGE

Ramanujan College is a constituent College of the University of Delhi (DU). It is inspired by the life and work of Srinivasa Aiyangar Ramanujan, one of the world's greatest mathematicians. The College has been accredited Grade "A++" by the National Assessment and accreditation Council (NAAC) in its First Cycle. It is located in the well-known area of Kalkaji, near Nehru Place, in South Delhi.

The College was established in 1958 as an evening college for boys with just five programmes. Since 2010, Ramanujan College has been expanding and now with the latest addition of B.Sc. Environmental Sciences (Hons) in 2020, it at present offers sixteen undergraduate programmes in different disciplines. This achievement, in alignment to the recommendations of the National Education Policy (NEP) 2020, makes the College a centre for interdisciplinary studies and research with a future focus on blended learning. It has gradually grown into an self-sufficient and self-reliant institution owing to its academic vigour and intellectual capital.

Ramanujan College was awarded the Deen Dayal Upadhyay - Knowledge Acquisition and Up-gradation of Skilled Human Abilities and Livelihood (DDU KAUSHAL) Kendra in 2016 by the UGC, under which two vocational courses were started in Banking Operations and software Development. The College has conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the annual Refresher Programme in Teaching (ARPIT) scheme of Ministry of Education (MoE). This Course was uploaded on MoE's Massive Open Online Course (MOOC) platform SWAYAM and many participants registered for it.

Ramanujan College offers various short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes. These are conceived and designed by faculty members in consultation with external experts.

The courses get an exceptional response from the students and are conducted throughout the academic session. They are open to alumni and students of all the colleges. Some of these courses support the curriculum, some prepare the students for higher studies and also accelerate professional growth.

The College is the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses. As an initiative towards students and teachers exchange programmes, the College has entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaborate with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

The prestigious Teaching Learning Centre was awarded to Ramanujan College in 2017 by the Ministry of Education, under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) scheme.

In pursuit of its vision: "Discover, Empower, Transform: Building A Better World", Ramanujan College is today perceived as one of the best colleges in the country.

SRINIVASA RAMANUJAN
22 DECEMBER 1887 - 26 APRIL 1920

TEACHING LEARNING CENTRE

Teaching Learning Centre (TLC) is mandated by the Ministry of Education (MoE) to organize Faculty Development Programmes (FDPs), Faculty Orientation and Induction Programmes (FIPs), discipline specific and interdisciplinary Refresher Courses, conferences, workshops, through offline and online modes. These programmes are based on in- depth subject knowledge, quantitative and qualitative research methodologies, and on an interdisciplinary approach as is envisaged in the National Education Policy (NEP), 2020.

TEACHING LEARNING CENTRE, RAMANUJAN COLLEGE

The TLC, Ramanujan College has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner- centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes.

In the TLC Programmes distinguished and internationally acclaimed resource persons deliver lectures and conduct sessions on wide ranging disciplines/topics of relevance in the contemporary and ever evolving global scenario to benefit the teaching fraternity, corporates and researchers. The sessions are also uploaded for larger audiences on the official YouTube Channel of the College.

Ramanujan College is a pioneer in offering offline/online courses for faculty members of higher education institutions and research scholars through the customized Learning Management System (LMS), designed by the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own Cloud Infrastructure to host its servers for research and data analysis.

Enrichment Spectrum at the TLC, Ramanujan College

- Transforming teachers into knowledge-creators
- Emphasis on creating self-learning space for participants
- Interaction with eminent scholars and academicians
- Four Quadrant Approach (e-tutorial, e-content, Self-Assessment and Web Resources).
- Regular follow-up with the participants through Google Classroom/ Telegram/ Discussion Forum
- Adaptation skills for the dynamic contemporary environment
- Augmentation of professional capabilities and research-based knowledge
- Inter and cross-disciplinary methodologies of study
- Co-creation and mutual contribution between participants and facilitators
- Formation of knowledge capital
- Online certificates using the Block chain Technology to ensure authenticity and verifiability.

ABOUT TAXO Academy

With the vision of India becoming the fourth largest economy, achieving a GDP of US \$10 trillion in the next few years, there is an urgent need to skill, enable and empower the huge young population of India for making them employable or helping them become self-employed/entrepreneurs.

This requires an organized skill enhancement initiative which not only provides necessary skills but also an ecosystem for continuous skill up-gradation programs.

Empirical studies prove that the development of a country largely depends on its skilled human resources, and hence the need and urgency to skill our youth.

TAXO academy an initiative of Astrazure E Ventures Pvt Ltd understands the vision laid down by the latest National Education Policy and endeavors to provide the necessary skills to the young generation, in the field of Tax & Finance, with practical exposure to make them employable.

TAXO academy courses are designed by seasoned experts with over 25+ years of experience in their respective fields.

We understand the requirements of the Industry, professionals and authorities and use that deep domain knowledge to impart practical knowledge and skills (not just theoretical education) to make students/learners “Industry-ready”.

ABOUT INDIAN ACCOUNTING ASSOCIATION NCR CHAPTER

The Indian Accounting Association is an interface between academicians, professional and practitioners from various universities, business, industry and government. The main function of IAA is to promote and disseminate the knowledge of accounting and the related subjects in India and abroad. Further, it aims to undertake and encourage research in the field of accounting. Ever since its inception, the IAA has served as an important forum for raising the status of accounting both as a discipline and as an important tool for managerial decision making.

The Association was founded by academicians and professionals in accounting on March 15, 1969, and inaugurated on February 14, 1970 by the Accountant General of Uttar Pradesh. At present, IAA has a network of 57 branches in India with more than 7300 life members, and a Research Foundation as an affiliate at Kolkata.

It has various Chapters. Its **NCR Chapter** with President CA(Dr)Sanjeev Singhal, Vice President Dr Rekha Dayal, Secretary Dr J.L. Gupta and Joint Secretary Prof. Anjali Gupta is a leading chapter contributing to the aim of IAA. In the past it has successfully conducted several National and International - Workshops, Faculty Development Programs and Refresher Courses on topics like-

- Research Tools for Quality Research
- Computerized Accounting Using Tally. ERP 9
- 6 batches of Diploma Course in IFRS
- “Goods and Services Tax”, Direct and Indirect Taxation
- Research Methodology and Teaching Pedagogy
- Accounting Standards
- Financial Accounting and Income Tax
- Multi Variate Data Analysis
- Data Analysis for Research
- Time Series and Panel Data Analysis

Testimonials

“The two months certificate program on Fundamentals of GST was very well planned and executed. Thanks to the highly knowledgeable resource persons. Further, I want to mention that the knowledge gained after going through this program was extremely useful and valuable and will definitely a value addition to the existing knowledge.”

Dr. Kumar Gaurav, (PhD, IIT Patna)

Assistant Professor, Dept. of Economics, S.N. Sinha College, Tekari , Magadh University, Bodh Gaya, Gaya, India

“The present Two Months Certificate Course on Fundamentals of GST is very well planned and executed by the collaborations of TLC Ramanujan College of Delhi University and TAXO Academy and provided an opportunity to remote learners to take the benefits of it in true way. Though many of the learners may be engaged in some urgent assignments given by institutions in which they are presently posted but the Resource Persons particularly CA Atul sir have devoted his 1000% to enhance the knowledge on the topic not only by delivering well planned lectures but also organized doubt clearing sessions and kept everyone engaged in this course. We expect many more of such type of learning opportunities from TLC RC and TAXO Academy. Thank you so much respected organizers and team TLC & TAXO & IAA-NCR Chapter.”

Dr. Surjeet Kumar, Ph.d

Assistant Professor, Govt. College Baroh District Kangra Himachal Pradesh

“Hello team, really you have done an excellent job. I really like the way this course works. Special kudos to ATUL sir. Whenever I face any inconvenience I'll share with you and your team resolved them successfully. Thank you for that. I wish to do more online courses in your academy. Super team. The way you work behind for providing quality content and resolving problems faced by students is awesome. This course was recommended by my course director Dr. Sakthivel sir. Because of his words I joined this. Now I liked it. So I'll recommend it to others. kudos to each member working behind this course... continue your service and keep rocking...THANK YOU GUYS :-)”

MYTHREYI S,
Student of Law (Honors) at SCHOOL OF EXCELLENCY IN LAW, CHENNAI

“This programme was a very nice interface between concepts and live examples were too easy to understand.”

Dr JAGANNADHA SASTRY NEMANI, Ph.d
Assistant Professor at ANDAMAN COLLEGE, Pondicherry Univeristy, Puducherry

“It was such an excellent course and would like to give special thanks to Atul Sir for explaining the topic in such a simple, easy for understanding way for someone who had almost no knowledge on GST. We look forward to attend such information course in the future.”

Pate Jumshi
Dera Natung Government College Itanagar Arunachal Pardesh

“Entire Course is an asset (value addition) for me. Excellent Faculties, real life examples I have gone through of GST and thanks to the organizing team.”

Ms. Raman Arora,
Assistant Professor, Amity Business School, Greater Noida, Amity University

“I am satisfied with the training and training faculty at TAXO Academy. It is a well-designed GST course with practical orientation. Overall experience is very good. Guidelines given by trainers were excellent and useful. If you want to optimize your GST skills, it's my personal suggestion to join TAXO Academy courses!!”
