# **ABOUT : MAHARASHTRA NATIONAL LAW UNIVERSITY AURANGABAD**

**The State of Maharashtra realizing the importance of quality Legal Education and need for well-trained Law Graduates in the Bar and Bench took a decision to establish three National Law Universities in the State of Maharashtra at Mumbai, Nagpur and Aurangabad in the years 2015, 2016 and 2017 respectively. All the three National Law Universities are independent and autonomous in nature and are established by virtue of the Maharashtra National Law University Act, 2014.**

**The Maharashtra National Law University, Aurangabad commenced its operation from March 16, 2017. The Maharashtra National Law University, Aurangabad being an institution of national importance has fulfilled the aspirations of the people of the Marathwada Region. The University has its own 50 acres lush green campus situated near Kanchanwadi at Chhatrapati Sambhajinagar (Aurangabad). By virtue of the statute, the Chief Justice of India or his nominee is the Chancellor of the University and the Chief Justice of High Court of Bombay is the Pro-Chancellor of the University.**

**The Maharashtra National Law University, Aurangabad is established with intent to impart quality legal education, to develop advanced clinical pedagogies and research. The University also imbibes values of profession coupled with various skill sets required for the profession of advocacy.**

**Presently, the University is offering various undergraduate and postgraduate programmes in the discipline of Law, Management and Public Policy. The University has Postgraduate studies and Research Programmes with specializations in Constitutional Law, Human Rights, Commercial Laws, Finance and Human Resource Management, Medical Laws and Hospital Management, etc. The University has also started various innovative courses with the blend of Law and Management, Financial Services and Court Administration, Medical Laws and Hospital Management to strengthen the future prospectus and employability of the students. In addition to this, the University is also offering a Post-Doctoral Research Programme in Law (LL.D.).**

## **CONFERENCE OBJECTIVES**

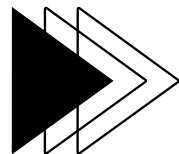

**To Explore strategies to eliminate gender bias in AI algorithms, ensuring a fair and unbiased digital landscape, particularly in areas affecting women's alongside human rights.**

**To Address the role of AI in elections, emphasizing the need for transparent and secure systems to safeguard democracy against fraud and manipulation.**

**To Foster discussions on ethical considerations and guidelines for the integration of AI in law enforcement, prioritizing fairness, accountability, and the protection of civil liberties.**

**To Investigate the responsible deployment of AI in banking and finance, emphasizing fraud prevention, equitable lending practices, and navigating regulatory challenges for a robust financial system.**

**To provide a platform to all stakeholders from the field of law, technology providers, policymakers, students, research scholars, academicians and industrialists to come together and collaborate in enhancing landscape of disruptive technologies in current legal system.**

## **ABOUT THE CONFERENCE**

The International Conference on “Global Legal Order in the age of A.I. and Emerging Technologies” is a significant event that brings together experts, practitioners, researchers, and policymakers across diverse legal domains. This conference serves as a dynamic platform to discuss and exchange ideas, innovations, and best practices at the intersection of law and emerging technologies. The primary objective is to explore and promote the critical analysis of legal implications arising from emerging technologies, fostering a dialogue on how these innovations impact legal proceedings, criminal investigations, and the broader administration of justice. This conference aims to bridge the gap between technological advancements and their legal applications, ensuring that the legal system adapts accurately, effectively, and ethically to the challenges posed by emerging technologies. By fostering collaboration among stakeholders, it contributes to the evolution of legal frameworks, promoting fairness and ethical considerations in the ever-changing landscape of emerging technologies within the legal sphere.

# CALL FOR PAPERS

International Conference on "Global Legal Order in the age of A.I. and Emerging Technologies" invites well-researched original papers amongst professionals, academicians, practitioners, research scholars, administrators, students, social activists, and the representatives of governmental and non-governmental organizations for presentation on the following themes and sub-themes.
