TRIAL ADVOCACY PROPOSITION

1. Sarita Malik, a bright student of M.A. (English Honors) University of Rajputana, resided with her family at Jhotwara, Jaipur. Shubhendu was a resident of Udaipur who took admission in University of Rajputana for M.A. (English Honors). Sarita and Shubhendu were in the same class. Shubhendu was the President of the Student's Union at the University who had a charismatic personality which attracted Sarita and eventually the acquaintance turned into an affair.
2. Previously focused on her studies, Sarita became obsessed with Shubhendu, talking to him incessantly and defying her family's wishes to see him. Sarita's brother knew about Shubhendu's ways of life which included violence on a daily basis and having ties with notable gangsters. Hence, the family wasn't happy with their affair. Sarita was warned by her brother and father multiple times but despite her family's concerns and declining academic performance, Sarita remained fixated on Shubhendu, cutting ties with her family to live with him. They got married in 2010 and started to live in a rented flat at Raja Park, Jaipur. Shubhendu got a job at a local newspaper office as a translator.
3. Disowned by her family, Sarita used to miss her parents and her home a lot. Shubhendu on the other hand did not like Sarita talking about her home all the time. This was the reason of occasional fights between Sarita and Shubhendu. Among all this the couple was blessed with two children by 2022. Elder one being Anup and the little one Aranya. Tragedy struck when their 10-year-old daughter named Aranya, met with an accident on 2nd November 2022. Sarita tried calling Shubhendu while he was at the office, but he couldn't answer because of a crucial meeting. Left with no choice, Sarita dealt with the situation on her own. She rushed her daughter to the hospital, but sadly, despite the doctors' best efforts, her daughter passed away.
4. The tragic loss of their child deeply affected Sarita and Shubhendu, straining their relationship as they struggled to cope with grief. The inability to reach each other during the critical moment left them both feeling isolated in their sorrow. The sudden demise of their daughter left them searching for closure and struggling to find solace in each other's presence. The tragedy tested their bond, forcing them to confront their individual ways of grieving and navigate the turbulent emotions that followed. Troubled by all this Sarita tried to take her own life by taking the overdose of the sleeping pills but her husband reached the spot-on time and took her to the hospital which saved her life. After this incident Shubhendu got worried about Sarita and took her to a psychologist named Dr. Shalini Bansal. Sarita started with the therapy hesitantly.

5. When Sarita's father came to know about all this, he went to see his daughter. Finding her in that depressed condition he asked her to accompany him to his home to live for some days to which Shubhendu refused as he was aware of the opinion of her family about him.
6. One day, as Shubhendu was off to work, Sarita hastily packed her bags and left for her father's home without informing Shubhendu. Upon his return from office, Shubhendu discovered Sarita's absence and attempted to contact her anxiously. Their phone conversation quickly escalated into a heated exchange, with accusations and blames flying over the phone lines. During the altercation, Shubhendu expressed to Sarita that "it might be better if she were no longer alive so that he could live in peace with their son."
7. After 15 days Sarita came back from her father's home. She started to search for a job to have something to do during the day as the life felt not worth living to her anymore. She got job of a school teacher at Raja Park, Jaipur itself. As her working hours did not match Shubhendu's schedule as his shift at the newspaper was 5:00 P.M to 5:00 A.M and she used to be at work from 9:00 A.M to 5:00 PM. This gave rise to daily quarrels between them.
8. Amongst all this Sarita was working at the school and trying to cope up with everything going on. She met Suresh at school, where they both worked as colleagues. Their professional relationship gradually evolved into a close bond. Upon learning about Sarita's growing connection with Suresh, Shubhendu expressed his disapproval, sparking intense conflicts between Sarita and him. Leading to a severe physical assault at times. Sarita used to talk about this to her parents and their support helped her in these tough times but they also kept warning her to leave Shubhendu and come back to them.
9. Frustrated with all this Sarita decided to leave Shubhendu. She expressed her feelings to Shubhendu but faced threats from him. He also warned Suresh to stay away from her or face dire consequences. Feeling trapped and helpless, Sarita reached out to her brother Deepak for assistance in escaping Shubhendu's grip. Deepak assured her that he will help her to deal with all this and leave Shubhendu.
10. On 10th November, 2023, Deepak called Shubhendu and confronted him about all this. He, urged him to leave Sarita. During the tense exchange, Sarita's cries for help were audible in the background, revealing her captivity. Shubhendu disconnected the call. Deepak attempted to reconnect with Shubhendu but received no response. Following the incident, Deepak swiftly made his way to see Sarita. As he arrived at Sarita's house, he noticed Shubhendu leaving angrily. Deepak halted Shubhendu to engage in conversation. However, as they conversed, a tragic event unfolded: Sarita jumped off the building. As Deepak and Shubhendu rushed towards her, they found her unconscious. They rushed her to the nearest hospital where she was declared dead.
11. Amidst the chaos and tragedy, Sarita's family, devastated by her untimely death, sought justice for their beloved daughter. Deepak, her brother, in a state of shock and anguish, approached the nearby police

station to file a case against Shubhendu for Abetment of Suicide under Section 306 of the Indian Penal Code.

PROSECUTION WITNESS

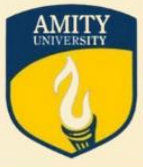

Statements Under Section 161, The Code of Criminal Procedure, 1973

PROSECUTION WITNESS 1- DEEPAK MALIK

I am the elder brother of the deceased, Sarita Malik, who tragically passed away on 10th November 2023. I was informed about the deteriorating situation between Sarita and her husband, Shubhendu, by Sarita herself. She used to tell us about the abusive behavior and threats she was facing from Shubhendu. Despite my repeated attempts to reason with Shubhendu and make him understand Sarita's fragile mental state, he continued to engage in violent altercations with her. Shubhendu, known for his aggressive nature and involvement in numerous criminal cases, created a hostile environment for Sarita, leading to her deteriorating mental health. On 10th November 2023 I called Shubhendu I heard some voices in the background when the call was cut in between. I rushed to her residence where I saw Shubhendu leaving the building angrily. When I was trying to stop him to talk Sarita jumped off the building. I firmly believe that Shubhendu's actions and behavior towards Sarita, both in the past and at the time of her death, constitute abetment to suicide. I am willing to cooperate fully with the investigation and testify in court to seek justice for my beloved sister, Sarita Malik.

PROSECUTION WITNESS- 2 SURESH

I am a colleague of Sarita Malik at the school where we both work as teachers. I got to know Sarita during our professional interactions and gradually developed a close bond with her. I became aware of the troubled relationship between Sarita and her husband, Shubhendu, through Sarita herself. She confided in me about the abuse and threats she was facing from Shubhendu. As Sarita's friend, I witnessed the toll that Shubhendu's behavior took on her mental health. She often seemed distressed and anxious, especially after altercations with Shubhendu. Sarita used to tell me that her family also expressed concerns about her safety and well-being due to Shubhendu's aggressive nature and criminal background. They warned her to stay away from him. Despite the challenges in her personal life, Sarita was a dedicated teacher and a loving mother to her child. She often spoke about her desire to provide a better life for her family. I was present during an incident where Shubhendu confronted Sarita at school, expressing his disapproval of our friendship. He warned me to stay away from Sarita, threatening dire consequences if I did not comply. I supported Sarita during this difficult time, offering her a listening ear and emotional support. I encouraged her to seek help and guidance from her family and professionals. I was shocked and saddened to learn about Sarita's tragic death. I believe that the relentless abuse and threats from Shubhendu pushed her to take such a drastic step. I hope that Sarita's death will not be

in vain and that it will serve as a wake-up call to address the issue of domestic violence and abuse in our society.

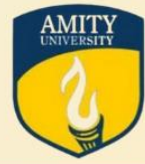

DEFENCE WITNESS

DEFENCE WITNESS 1 – SHUBHENDU

Sarita and I met during our M.A. (English Honors) studies at the University of Rajputana and eventually got married in 2010. Our marriage faced challenges, especially after the tragic loss of our daughter, Aranya, in an accident on November 2nd 2022, which deeply affected both of us. Despite our differences, I never physically or emotionally abused Sarita. I supported her through therapy sessions and encouraged her to seek help for her mental health struggles. Regarding the incident on 10th November 2023, I was not aware of Sarita feeling trapped or captive. Our conversation was heated, but I never intended harm towards her. On the day of the incident Sarita's brother Deepak called me and started abusing me on the phone. I couldn't hear more of him so I disconnected the call. I asked Sarita to not talk to her family about our personal matter but she started yelling at me. Finding no way out of the situation, I was leaving home but her brother met me while I was leaving the building. As we were talking, we both saw that Sarita jumped off the building. I was shocked and devastated by her death. I believe the events leading to Sarita's death were a result of her mental health struggles and the tragic circumstances we faced as a family.

DEFENCE WITNESS 2 – DR. SHALINI BANSAL

I am Dr. Shalini, a psychologist with 12 years of experience. Sarita was one of my patients whom I began seeing in January 2023, a few months after she tragically lost her youngest child, her daughter Aranya and I got informed that she attempted suicide by overdosing sleeping pills. I am associated to the same hospital where she was admitted. Her husband reached out to me while Sarita was admitted in ICU. During our sessions, Sarita often spoke about her deep attachment to Aranya. I provided her with counseling sessions. Surprisingly, despite the typical prolonged grieving process that many individuals experience after such a loss, Sarita showed significant improvement within initial four months. It's uncommon to see such rapid progress in patients dealing with such profound loss. I was optimistic about Sarita's recovery, believing she would likely be okay within a few more months but I do not know what happened to her the fateful day that she jumped off the building.

First Information contents: I am Deepak Malik, the brother of the deceased. On 10th November 2023 when I called Shubhendu to talk to him about the daily quarrels between him and my sister but he disconnected my call. I could hear Sarita's voices in the background urging him to release her. During the tense exchange, Sarita's cries for help were audible in the background. As call got disconnected, I tried to reconnect with Shubhendu but received no response and therefore, swiftly made my way to see my sister. Reaching there I found that Shubhendu was leaving angrily. And while we conversed, Sarita jumped off the building. We rushed towards her, and found her unconscious. We rushed her to the hospital where she was declared dead. I absolutely believe that Subhendu physically assaulted her, pressurized and abetted her to take such drastic step of ending her life.
