# RASHTRANITI AT A GLANCE

**“To cease conflict, let’s contest ideas together”  
Greetings to all delegates!**

Team of Rashtraniti 2024 welcomes you all with open arms and warm hearts to the 9th edition of our very own National Youth Parliament conference.

The abstraction behind coming up with this National Youth Parliament is that Rashtraniti is above Raj Niti, which means national policy will always stand ahead of politics. Yielding the results which are beneficial to all and add to the greater good is not a victory of any party or government but is everybody's victory as it highlights the success of the democratic ethos of the country. Rashtraniti 2024 is a reminder that words like "all Indian leaders will be of low calibre & men of straw. They will have sweet tongues and silly hearts. They will fight amongst them-selves for power and India will be lost in political squabbles," may never mar the spirit of Indian youth from starting the revolution.

Over the past few years, the world has been scathed by many unfortunate events. We have witnessed a deadly pandemic that resulted in a devastating loss of lives, natural calamities and climate change affecting vulnerable populations worldwide, which has brought the world economy to shambles.

However, a true scholar and a true institution will always use his privilege to induce a wave of positive change in society. A change that our nation deserves, a change that our fellow beings deserve and a change that our future generations deserve.

The Organising Committee truly believes that leaders don't force people to follow the change - they invite them on a journey and with this belief, we wish to provide all of our new as well as experienced delegates with a platform to have vigorous debates, to deliberate, analyse and think of the best possible solutions to tackle the problems that people face around the nation day to day.

The 9th edition of Rashtraniti will mark our continuous endeavour in engaging the youth of the nation in holistic change development and tackling situations arising in modern times. We wish to host individuals whose actions inspire others to dream bigger, learn more, do more and become more of a leader. This year's conference will allow all delegates to participate in the simulations of various committees ranging from the Stakeholder's Meet, National Security Council and All India Press.

We invite you all to join us in this euphoria of youth with the greater intent of listening, understanding, and voicing your opinions at the Rashtraniti 2024.

Be ready to challenge yourself and to test all your limits in these two days.

Best Regards,

**Team Rashtraniti 2024
