ABOUT SAMVAAD

The organizing committee Samvaad, a student governed committee was established with intrinsic value of the Ancient Indian Philosophy of Vadashastra “वादे वादे जायते तत्वबो धः” meaning “Truth is discovered and assimilated or realized by debates and discussions,” in 2020. It not only believes in building benchmark ‘legal skills’ but also believes in helping students utilise their rhetorical eloquence. Thus, the debating society of School of Law, Samvaad is enabling the said goal by bringing a platform for all the students of NMIMS Indore to connect, support, and inspire a diverse community of the Institute while also nurturing and honing oratory, research and analytical skills.

WHAT IS सांवादिक?

सांवादिक transcends the traditional framework of a Youth Parliamentary Debate, transforming into an immersive experience designed to empower aspiring young minds and nurture future changemakers. It cultivates an environment for critical discourse, fostering the ability to challenge established paradigms and actively shape the future through the art of persuasive arguments and sound reasoning.

This unique platform provides a stage for participants to engage in thought-provoking discussions on pressing national and global issues. By critically analyzing arguments and articulating their own convictions, participants hone their research skills, develop the capacity for critical thinking, and transform into confident public speakers.

This formative experience fosters a vibrant community of passionate individuals who share a common goal: to impact the world around them through the power of intellectual discourse. सांवादिक welcomes those who yearn to shape the future through meaningful dialogue and persuasive argumentation.
