

## Call for Book Chapter

**Ecological Studies**-Analysis and Synthesis, Book Series, **Springer Nature** (Indexed in Chemical Abstracts Service (CAS), Norwegian Register for Scientific Journals and Series, **SCOPUS**)

Dear, Prof. /Dr./Scientist/Academician/Researcher/Research Scholar

Greetings from India,

**Springer-Nature** one of the world's leading scientific publishing companies has accepted our proposal to write a Multi-Authors Contributed book titled-

## Wetlands and Urban Resilience

It will be published in **Ecological Studies**-Analysis and Synthesis, Book Series (<https://www.springer.com/series/86>) (Now Indexed in Scopus), Springer International Publishing, **Springer Nature** Switzerland AG (Publisher)

*With your research expertise, we believe your contribution to this book would be of great value to the project's success. We cordially invite you to contribute a chapter and make this a unique book with contributions from different parts of the world.*

[Important deadlines and other information](#)

Last date of submission of abstract or chapter title with author/authors information email and contact no	<b>July 31 2024</b>
Confirmation for the next phase	<b>August 15 2024</b>
Last date of submission of full paper	<b>December 15 2024</b>
Submission Email	<a href="mailto:udayspringerchapter@gmail.com">udayspringerchapter@gmail.com</a>

<https://www.researchgate.net/publication/379572772> Call for Book Chapter Book Titled **Wetlands and Urban Resilience**

## **The Benefit of the authors or Contributors:**

*It will be published in an edited book by It will be International peer-reviewed, published in Springer International Publishing, Springer Nature Switzerland AG (Publisher)*

1. **Publication Fees: Zero (Nil)**

2. **Springer publisher to provide each corresponding author with one complimentary hard copy (free of cost).**

3. **Worldwide circulation through Springer website and each chapter Indexed in Chemical Abstracts Service (CAS), Norwegian Register for Scientific Journals and Series, SCOPUS.**

### **Contents/Theme**

<b>Chapter Number</b>	<b>Contents/Chapter Theme and Sections</b>
<b>Section-I: Introduction</b>	
1.	<b>Understanding Wetlands' Role in Urban Resilience- An Analysis</b>
2.	<b>The Enigma of Urban Wetlands: Unravelling their Secrets</b>
<b>Section II: Managing the Wetlands: Strategies for Conservation</b>	
3.	<b>Understanding Wetland Ecology and Importance</b>
4.	<b>Conservation Challenges and Threats to Wetlands</b>
5.	<b>Conservation Approaches and Best Practices</b>
6.	<b>Integrating Science, Policy, and Stakeholder Engagement</b>
<b>Section III: The Resilient City: Exploring Urban Wetlands and Climate Resilience</b>	
7.	<b>Urban Wetlands and Climate Resilience:</b>
8.	<b>The Role of Urban Wetlands in Climate Change Mitigation and Adaptation</b>
9.	<b>Challenges and Opportunities in Managing Urban Wetlands for Resilience</b>
10.	<b>Integrating Wetlands into Urban Planning for Resilient Cities</b>
11	<b>Community Involvement in Wetland Restoration and Management in Urban Areas.</b>

<b>Section-IV: The Hidden Treasures: Unveiling the Socioeconomic Benefits of Urban Wetlands</b>	
12.	<b>Revealing the Hidden Values of Urban Wetlands</b>
13.	<b>Economic Valuation of Urban Wetlands</b>
14.	<b>Social and Cultural Significance of Urban Wetlands</b>
15.	<b>Urban Wetlands as Green Infrastructure for Sustainable Cities</b>
<b>Section-V: Challenges and Future Perspectives of Urban wetlands</b>	
16.	<b>Climate crisis. Wetland Ecosystem and Urban Human Well-Being</b>
17.	<b>Identifying and Understanding Contemporary Challenges</b>
18.	<b>Strategies and Innovations in Overcoming Challenges</b>
19.	<b>Adapting to Change: Resilience and Transformation</b>
20.	<b>Envisioning the Future: Opportunities and Roadmap</b>
21.	<b>Urban Resilience and Sustainability: A Synthesis of Wetland Strategies</b>

### **Key Points for Full Paper:**

#### **1) Each section will consist of**

1. Title:
2. Author(s) Name & Current Affiliation with email and Orcid ID
3. Abstract (200 words)
4. Keywords (5-6 words)
5. Introduction,
6. Rationale of the Study (Optional)
7. Materials and Methods
8. Results and Discussion
9. Challenges/Limitations of the Study (Optional)
10. Recommendations (Optional)
11. Conclusions
12. Acknowledgments (If any)
13. AI Discloser
14. References (Springer Format)

2) Each article may be about 20-35 pages with roughly 7000-9000 words.

*Please feel free to contact us for any further clarification.*

*We are waiting for your positive reply.*

*Best regards,*
