ABOUT THE CONFERENCE

The National Conference on, "The Constitution in a Changing India" is a pivotal intellectual forum, which is set to unfold from May 29th to 31st, 2024. This conference will delve into multifaceted themes such as Federalism in the 21st Century, Fundamental Rights in the Digital Age, and Constitutional Interpretation in a Diverse Society, presenting a vibrant platform for students, legal scholars, practitioners, and enthusiasts to engage in thought-provoking discussions. Exploring the impact of globalization, technological advancements, and emerging challenges, the conference aims to foster innovative solutions, ethical frameworks for technological advancements, and a comprehensive understanding of constitutional goals and aspirations. We invite all legal minds to join us, as we navigate the evolving landscape of constitutional dynamics, fostering dialogue and insights that contribute to the ever-changing legal discussions of 21st century India. The conference will be held in offline mode.

CALL FOR PAPERS

We cordially invite academicians, researchers, lawyers, and students to submit their research papers based on the following Themes:

Theme 1: Adapting the Constitution to India's Evolving Landscape

Theme 2: Emerging Challenges and the Constitution's Adaptation

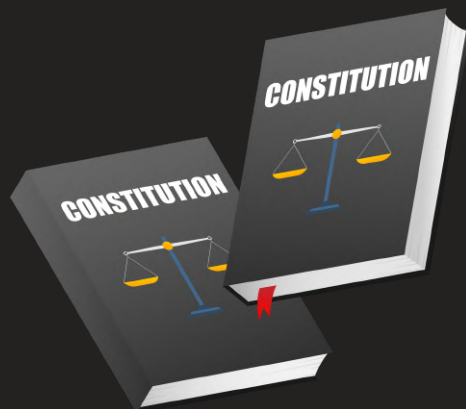

Co-authorship is permitted to a maximum of two authors. All papers shall be subject to scrutiny of anti-plagiarism software. Only selected abstracts will be permitted for submission as full paper and for the presentation at the conference.

Participants are at liberty to choose any topic within the above provided Themes. Sub-Themes given in the next page are indicative only. It is not mandatory that participants must choose topic within the Sub-Themes.

Theme 1: Adapting the Constitution to India's Evolving Landscape

Subtheme 1: Federalism in the 21st Century: Challenges and Opportunities

- Examining emerging trends in centre-state relations.
- Analysing the impact of globalization and technological advancements on federalism.
- Exploring innovative solutions for strengthening the cooperative federalism.

Subtheme 2: Fundamental Rights in the Digital Age: Balancing Rights and Responsibilities

- Discussing the right to privacy in the face of mass surveillance and data collection.
- Assessing the impact of social media on freedom of speech and expression.
- Analysing the implications of artificial intelligence on human rights.

Subtheme 3: Constitutional Interpretation in a Diverse Society: Navigating Ambiguity and Contention

- Examining different approaches to constitutional interpretation.
- Addressing the role of judicial activism in a democratic society.
- Analysing the challenges of interpreting the Constitution in a multicultural context.

Theme 2: Emerging Challenges and the Constitution's Adaptation

Subtheme 1: Climate Change and Environmental Justice: Integrating Environmental Values into the Constitution

- Exploring the legal framework for environmental protection in India.
- Discussing the potential for constitutional amendments to address climate change.
- Analysing the role of the judiciary in upholding environmental rights.

Subtheme 2: Technological Advancements and Constitutional Dilemmas: Regulating Emerging Technologies

- Examining the legal challenges posed by artificial intelligence, robotics, and biotechnology.
- Proposing frameworks for ethical and responsible development of new technologies.
- Discussing the impact of technology on fundamental rights and access to justice.

Subtheme 3: Inequality and Social Justice: Rethinking Constitutional Goals and Aspirations

- Analysing the persistence of economic and social inequalities in India.
- Exploring the role of the Constitution in promoting social justice and inclusivity.
- Discussing potential reforms to address discrimination and marginalization
