About Kristu Jayanti College of Law

Kristu Jayanti College of Law is affiliated to Karnataka State Law University and recognised by the Bar Council of India. The College has been managed by "BODHI NIKETAN TRUST", formed by the members of St. Joseph's Province of the Carmelites of Mary Immaculate (CMI). The Institution strives to produce leaders in the legal profession, including judiciaries, legal academics, corporations, and NGOs. It also aims to meet the critical need for producing principled, qualified, knowledgeable and internationally competitive professional lawyers. Kristu Jayanti College of Law provides action-based legal learning in a disciplined environment conducive to and appropriate for learning the Law. It is committed to an approach to Legal Education that goes beyond studying Statutes, Books and Case Laws. Kristu Jayanti College of Law is unique in organising tailor-made programmes that include interactive sessions with judges, legal luminaries, industrialists, academicians, and many more. Engagements in Trial Advocacy / Moot Court Sessions and Case Analysis Sessions meant for advanced learning enable the students to be fit in all respects, pursue a career, and excel in the relevant fields.

About seminar

The one-day National Seminar hosted by Kristu Jayanti College of Law, Bangalore, focuses on the interplay of contemporary corporate law issues, both from an academic and industry perspective. It seeks to foster an exchange of ideas and in-depth discussions, aiming to tackle the diverse issues and obstacles within the corporate sector. Corporate governance is a significant networking tool among the stakeholders namely corporate bodies, employees/workmen, consumers, investors and government (State and Center). It helps in fostering the complex-interdependence model and engendering the

developmental endeavors through alternative policy options. The jurisdiction of the corporate governance addresses the integral aspects and the seminar will explore critical themes in corporate good governance and provide a comprehensive understanding of diverse perspectives on corporate Law. This intellectual platform aspires to influence legal research, policy-making, and education, leading to academic publications and tools for addressing legal challenges.

About Theme

The seminar will address key issues in corporate good governance, including the increasing financial frauds and economic crimes that challenge corporate integrity. Discussions will evaluate the government's efficiency in combating these frauds through proper investigations and enforcement. The effects of bilateral treaties on corporate governance (treaties with England) and regulatory frameworks will also be assessed. The seminar will consider the impacts of significant policy shifts like demonetization and the effectiveness of the Insolvency and Bankruptcy Code in resolving governance issues. An emphasis will be placed on Limited Liability Partnerships, exploring their compliance with regulations and the potential benefits of recent legal developments in corporate governance. Additionally, in 2024, corporate governance is focusing more on ethically integrating and regulating artificial intelligence in business, refining Environmental Social & Governance initiatives for greater impact. An emphasis is given on enhancing board diversity to improve the decision-making processes concerning the companies.
