## MASTER'S IN PUBLIC POLICY LAW AND GOVERNANCE

(Full Time Two-Years Programme)

### About the Programme

In today's complex world, effective public policy requires a multifaceted approach.

The Master's in Public Policy Law and Governance (MPPLG) is a one-of-a-kind program designed to empower future leaders with the knowledge and skills to navigate the complexities of contemporary governance.

The programme equips the students to be change agents, combining in-depth policy analysis with a strong foundation in law and governance principles. This rigorous two-year programme empowers the students to:

- Craft impactful policy solutions
- Navigate the legal landscape
- Become a champion of good governance

### Why To Choose This Programme?

- **Become a Policy Expert:** Develop expertise in policy analysis, formulation, and evaluation, enabling students to tackle pressing social, economic, and environmental challenges.
- **Gain Legal Acumen:** Master the legal frameworks that underpin effective governance, ensuring policy solutions are grounded in a strong legal foundation.
- **Navigate Governance Challenges:** Understand the intricacies of public administration, institutions, and contemporary governance issues, equipping students to foster transparency and accountability.
- **Shape a Better Future:** This programme prepares students for a rewarding career in government agencies, NGOs, think tanks, international organizations, and the private sector, where students can contribute to shaping a more just and equitable society
