SUBMISSION GUIDELINES

General Guidelines

- All manuscripts and author(s) details must be submitted only via this form: (<https://shorturl.at/47Kcy>). Manuscripts sent via email will not be considered.
- The word limit, exclusive of footnotes should be 2000-3000 words.
- Please do not use any personal identification details in the manuscript, such as your name or institutional affiliations, to better facilitate the double-blind peer- review process.
- Co-authorship among individuals of the same or different institutions is allowed up to two authors.
- Please ensure that the manuscript submitted to us must not be simultaneously under consideration at other academic publications.
- Any manuscripts found to have a similarity index of more than 10% are summarily rejected. Other pieces depend upon context. Only the non-plagiarized manuscripts are sent to the peer reviewers.
