Summer Internship Program - 2024

We are thrilled to announce our internship program for law students to gain hands-on experience in the dynamic legal industry. Our 2024 Summer Internship Program provides a unique platform for law students to develop their skills, build a portfolio, and explore the business aspects of a legal startup.

During this internship, you will have the opportunity to:

- **Conduct Legal Research:** Enhance your research capabilities by working on real-life legal cases and projects. You will delve into complex legal issues, conduct thorough research, and contribute to the development of innovative legal solutions.
- **Build a Portfolio of Published Articles:** Showcase your legal writing skills by authoring articles on various legal topics. Your published works will not only strengthen your portfolio but also contribute to the legal community's knowledge base.
- **Explore Business Aspects of a Legal Startup:** Gain invaluable insights into the operational and strategic aspects of running a legal startup. You will have the opportunity to interact with our team of experienced professionals, learning about client acquisition, project management, and the implementation of cutting-edge technologies in the legal field.

Please note that we believe in the concept of remote working and hence, this is a completely virtual internship. Minimum duration of this internship is 2 Months. Applications will be accepted on rolling basis.

To be considered for this opportunity, you must be a current law student with a strong academic record, excellent research and writing abilities, and a genuine passion for the legal tech and corporate law.

To apply, please submit your resume and a cover letter highlighting your qualifications and interest to internship@dashcounsel.com.
