# ABOUT GNLU

Gujarat National Law University (GNLU), located in Gandhinagar, Gujarat, India, was established by the Government of Gujarat under the Gujarat National Law University Act, 2003 and is recognised by the Bar Council of India (BCI) and University Grants Commission (UGC). GNLU is a student-centric, multidisciplinary and research-focused University, dedicated to building an environment enabling critical thinking on fundamental legal issues. It offers B.A., LL.B. (Hon.), B.Com., LL.B. (Hon.), B.Sc. LL.B. (Hon.), B.B.A., LL.B. (Hon.), B.S.W. LL.B (Hon.), LL.M. and Ph.D. in law and allied subjects. GNLU has been ranked among the Top 5 National Law Universities in India by NIRF 2023 Rankings and the Best Law School in Gujarat with 5 Stars by GSIRF. It is the only National Law University to have established its own satellite campus at Silvassa, UT of Dadra and Nagar Haveli and Daman and Diu.

# ABOUT THE COURSE

---

- **What are the essential components of informed consent in biomedical research to ensure that participants fully understand and voluntarily agree to participate?**
- **How do researchers balance the potential benefits of a study with the risks to human participants?**
- **How can we protect vulnerable populations, such as children, in biomedical research?**

In the dynamic and ever-evolving field of biomedical research, these questions are more critical than ever. This course will guide you through the intricacies of biomedical research ethics and law. It covers the legal framework governing research, including regulations, statutes, and case law. Additionally, it delves into the ethical principles and guidelines that guide research conduct and protect the rights of research participants.

## TOPICS TO BE COVERED

---

- Introduction to Biomedical Research Ethics and Law
- National Ethical Guidelines for Biomedical and Health Research Involving Human Participants, 2017
- National Ethical Guidelines for Biomedical Research Involving Children, 2017
