**International Seminar on**

**“Contemporary issues in Intellectual Property Rights”**

**02.08.2024**

## Introduction:

In an era defined by rapid technological advancement and globalization, Intellectual Property Rights (IPR) has become increasingly crucial in shaping economic, legal, and ethical landscapes. St. Joseph's College of Law, Bangalore, recognizes the significance of staying abreast of emerging trends and challenges in the field of IPR. To facilitate a comprehensive exploration of these issues, the college proposes a seminar titled "Contemporary Issues in Intellectual Property Rights."

## Objectives:

The seminar aims to provide a platform for scholars and students to delve into key contemporary issues shaping the realm of Intellectual Property Rights. The objectives include:

### 1. Exploring Emerging Trends in Intellectual Property Rights Jurisprudence:

Analysing recent judicial decisions and legislative developments that impact the interpretation and application of IPR laws globally.

**2. Commercialization of Intellectual Property Rights:** Examining strategies and challenges in commercializing intellectual property assets in various sectors, including technology, pharmaceuticals, and entertainment.

**3. IPR Issues in Cyberspace:** Addressing the complexities of protecting intellectual property online, including issues related to digital piracy, domain names, and jurisdictional challenges.

### 4. Harmonization of Intellectual Property Rights and Anti-Trust Laws:

Discussing the intersection of IPR with competition laws and exploring efforts towards international harmonization of intellectual property regulations.

## Target Audience:

The seminar targets legal professionals, academics, researchers, policymakers, and students interested in gaining insights into the evolving landscape of Intellectual Property Rights.

## Format:

The seminar will feature keynote addresses by eminent scholars and practitioners, involving experts from academia and industry, and interactive sessions to encourage dialogue and exchange of ideas.

## Mode:

Participants within the State of Karnataka are required to be physically present in the college campus; participants from outside Karnataka may participate via the **online mode:** (zoom platform) from 9.30 AM to 3.30 PM.

## Expected Outcome

By the end of the seminar, the participants will:

1. Gain a deeper understanding of the latest developments in Intellectual Property Rights jurisprudence.
2. Identify strategies for effectively commercializing intellectual property assets in a competitive global market.
3. Appreciate the challenges and opportunities posed by intellectual property issues in cyberspace.
4. Discuss the prospects and challenges of harmonizing intellectual property regulations with anti-trust laws.
