# About Techno India University, Kolkata

Techno India University, West Bengal is the first private university of the state of West Bengal having more than 7000 students spread across different streams of Engineering, Business Studies, Basic Sciences, Pharmacy, Law along with several other courses on emerging technologies like Blockchain, IoT, Automation, Data Science, etc. Established in 2013, TIU is the flagship university of Techno India Group which is the largest educational conglomerate in Eastern India having 22 colleges, 4 universities, 12 B-schools, 25 schools and 2 upcoming medical colleges spread across the nation. We have an in-house Centre of Excellence (CoE) for SAP, IoT, Robotic Process Automation, Intel FPGA, Pegasystems and IBM Bluemix to facilitate the young minds with the best opportunities. TIU has also formed Eastern India's first mentorship-driven incubation centre named Technopreneurs Surrogate Ventures Pvt. Ltd. in order to give the best shape to the budding entrepreneurs and startups.

# About Department of Legal Sciences, Techno India University, Kolkata

The Department of Legal Sciences at Techno India University, West Bengal, is dedicated to nurturing the legal leaders of tomorrow through its comprehensive range of programs. From the five-year integrated BBA LLB and BA LLB courses, which lay a strong foundation for aspiring lawyers, right from the undergraduate level, to the three-year LLB course designed for graduates seeking to deeper into the realm of law, the department offers a diverse and enriching educational experience.  For those looking to specialise further, the two-year, LLM programme provides an avenue for advanced study in specific legal disciplines. Moreover, the department also facilitates scholarly exploration through its Ph.D. in law program, fostering research and innovation within the legal sphere. With a focus on academic excellence, practical skill, development, and critical thinking, the department of legal science at Techno India University equips students with the knowledge and expertise necessary to thrive in the ever-evolving field of law.

# About LawLearnizo

LawLearnizo, a premier platform legal education accessible and engaging for all, where the mission is to empower individuals, from students and legal professionals to those simply curious about the legal world, by demystifying the complexities of the legal landscape. LawLearnizo, offers a diverse range of meticulously crafted courses that blend theoretical concepts with real-world applications. Our team of experienced legal professionals and educators employs innovative teaching methods, cutting-edge technology, and a user-friendly platform to provide an immersive learning experience. Committed to inclusivity, it is ensured that the courses are accessible to learners from diverse backgrounds, fostering a supportive environment for collaborative learning. Constantly updated to reflect the latest legal developments, the content equips learners with the knowledge needed to make informed decisions and contribute meaningfully to society.

# About the Conference

The Department of Legal Sciences at Techno India University, West Bengal, in collaboration with LawLearnizo, is proud to present a Two-Day National Conference on "**Navigating the Intersection of Artificial Intelligence and Law: Ethical and Legal Horizon.**"

This conference aims to explore the rapidly evolving landscape where artificial intelligence (AI) intersects with legal frameworks, focusing on the ethical and legal challenges that arise, bringing together esteemed legal scholars, practitioners, and AI experts, the event will delve into critical discussions on AI's impact on privacy, security, and regulatory practices. Attendees will gain insights into the ethical considerations and legal implications of AI technologies, fostering a comprehensive understanding of how to navigate this dynamic field. Through keynote speeches, panel discussions, and interactive sessions, the conference promises to be a significant platform for knowledge exchange and collaboration, contributing to the development of informed, future-ready legal professionals and academics.

## Objectives of the Conference

The primary objective of this conference is to facilitate a comprehensive understanding of the intersection between artificial intelligence (AI) and law, focusing on the ethical and legal challenges that emerge in this rapidly evolving domain.

By bringing together leading legal scholars, practitioners, AI experts, and policymakers, the conference aims to foster critical discussions on the implications of AI on privacy, security, and regulatory frameworks.

It seeks to explore and address the ethical considerations surrounding AI technologies, promoting responsible and informed decision-making.

Additionally, the conference endeavors to provide a platform for interdisciplinary collaboration, enabling participants to share insights, research findings, and best practices.

Ultimately, the conference aims to equip attendees with the knowledge and tools necessary to navigate the complex landscape of AI and law, contributing to the development of robust legal frameworks and ethical guidelines that can effectively govern the integration of AI into society.

✴ **Conference Dates**

28th & 29th of September, 2024.

✴ **Modes of Conference**

Virtual

# Theme for the Conference

Navigating the Intersection of Artificial Intelligence and Law: Ethical and Legal Horizons

## Sub- Themes for the Technical Sessions During the Conference

### 1. AI and Data Privacy

- Legal frameworks for data protection in AI.
- The role of consent in data collection and usage.
- Cross-border data transfer issues.
- Balancing privacy rights with AI advancements.
- AI's role in data anonymization and its legal implications.

### 2. AI and Intellectual Property

- AI-generated works and copyright issues.
- Patents and AI: Inventor recognition and patentability.
- Trade secrets and AI algorithms.
- Licensing AI-created content and legal challenges.
- Protecting intellectual property in AI collaborations.

### 3. AI in Criminal Justice

- Predictive policing and its legal implications.
- AI in forensic analysis.
- Ethical concerns in AI-driven surveillance.
- Bias and discrimination in AI policing tools.
- Legal standards for AI evidence in criminal trials.

### 4. AI and Employment Law

- AI in recruitment: Discrimination and fairness.
- Impact of automation on employment rights.
- Legal status of AI entities as employees or employers.
- AI in workplace monitoring and privacy issues.
- Regulating AI's role in performance evaluations.

## 5. AI and Contract Law

- Smart contracts: Legal enforceability and challenges.
- AI in contract drafting and negotiation.
- Liability issues in AI-mediated agreements.
- AI's impact on traditional contract principles.
- Jurisdictional challenges in AI-driven contracts.

## 6. AI and Healthcare Law

- Regulatory frameworks for AI in healthcare.
- AI-driven diagnostics and patient consent.
- Ethical issues in AI-enhanced medical treatments.
- Liability in AI-powered medical errors.
- Data security and privacy in AI healthcare applications.

## 7. AI and Consumer Protection

- Consumer rights in the age of AI.
- AI in e-commerce: Legal and ethical considerations.
- Addressing bias and transparency in AI systems.
- AI's role in personalized advertising and privacy.
- Legal recourse for consumers harmed by AI products.

## 8. AI and Human Rights

- AI and freedom of expression.
- AI's impact on the right to equality.
- Protecting human dignity in the face of AI advancements.
- AI and the right to privacy.
- Ensuring non-discrimination in AI applications.

## 9. AI Governance and Regulation

- National and international AI regulatory frameworks.
- Role of ethics committees in AI development.
- Public policy and AI: Balancing innovation and regulation.
- Ethical guidelines for AI developers.
- Accountability and transparency in AI governance.

## 10. AI in Financial Services

- Legal implications of AI in banking and finance.
- AI-driven investment decisions and liability.
- Regulating AI in financial markets.
- AI's role in fraud detection and prevention.
- Consumer protection in AI-driven financial services.

## 11. AI and Cybersecurity

- Legal aspects of AI in cyber defense.
- AI-generated cybersecurity threats.
- Policy measures for AI-based cybersecurity solutions.
- Legal implications of AI in cyber warfare.
- Protecting critical infrastructure with AI.

## 12. AI and Environmental Law

- AI in environmental monitoring and regulation.
- Legal challenges in AI-driven environmental interventions.
- Ethical implications of AI in climate change mitigation.
- AI's role in sustainable development.
- Regulating AI in environmental impact assessments.

## 13. AI and Education Law

- AI in educational assessments: Legal considerations.
- Privacy issues with AI in education.
- Ensuring fairness and equity in AI-enhanced education systems.
- AI's role in personalized learning and legal implications.
- Protecting student data in AI-driven educational tools.

## 14. AI and Family Law

- AI in child custody and welfare decisions.
- Legal status of AI in family dispute resolutions.
- Ethical concerns in AI applications in family law.
- AI's role in detecting and preventing domestic violence.
- Privacy issues in AI-powered family monitoring tools.

### 15. AI and International Law

- AI in international humanitarian law.
- Autonomous weapons and international legal standards.
- AI in cross-border legal disputes.
- International cooperation in AI governance.
- Legal implications of AI in global trade.

# Organizing Committee

1. **Patron in Chief** : Prof. Dr. Samiran Chattopadhyay *(Hon. Vice Chancellor)*

2. **Co- Patron in Chief** : Prof. Dr. Rina Paladhi *(Hon. Director, Academic)*

3. **Patron** : Dr. Debashree Chakraborty *(Head of Department, Department of Legal Science)*

4. **Faculty Convener, Organizing Committee** : Asst. Prof. Sreya Chakraborty

5. **Co-Convener, Organizing Committee** : Asst. Prof. Ekata Mukherjee

6. **Co-Convener, Organizing Committee** : Adv. Piyush Jalan

7. **Student organizing Committee** : The core team of Department of Legal Sciences, Techno India University & LawLearnizo Law School

8. **The Faculty Point of Contact** : Prof. Sreya Chakraborty

9. **Student Coordinators** :  Anushka Das *(LawLearnizo, +91-8100536226)*

   Zeenat Parveen *(LawLearnizo, +91-9179597610)*

   Imtiaz Laskar *(Techno India, +91-7980085941)*

   Ritika Chakraborty *(Techno India, +91-9674344929)*

   Aritra Mondal *(Techno India, +91-8617751720)*

   Rajarshi Biswas *(Techno India, +91-9875547687)*

   Ishika Sharma *(Techno India, +91-6291406023)*

   Devanshi Joshi *(Techno India, +91-8910322367)*

# Submission Guidelines

1. **Eligibility**
We invite students from undergraduate, postgraduate and doctoral qualifications, practitioners, academicians, policymakers, and scholars to participate in our conference to share valuable insights on the subject and start a dialogue on issues not discussed before.

2. **Abstracts**
Abstracts shall be within the range of 300-350 words, with a minimum of 5 keywords (not counted in the word limit). To submit the abstract, kindly fill up the Google form: https://docs.google.com/forms/d/e/1FAIpQLSft0ervm-iJj9WRKPDCJMDi7-O6xhL6_Lh_32ZhTy6oHEUrJA/viewform

3. **Word Limit**
Papers shall be in the length of 3000-5000 words. Detailed guidelines are as follows:

Author(s) should not mention their personal details at any places in the manuscript. Personal Details and Institutional Affiliations should be mentioned in a separate cover letter. The Cover Letter should have the Following Details:
- Name of all the Authors
- Email Address of all the Authors
- Contact Details of all the Authors
- Designation of all the Authors
- Institute Name of all the Authors
- Title of the Paper

The main body text in the manuscript must be in Times New Roman in a font size of 12, 1.5 line spacing and in justified alignment. For footnotes, maintain Times New Roman Style with a font size of 10 and 1.0 line spacing. For Headings, Times New Roman style must be followed with a font size of 14 and must be Bold and Underlined.

Abstracts are to be submitted in .doc or .docx format only.

Participants are requested to only submit their Abstract initially.

Participants should follow the Bluebook 20th Edition for the purpose of Citing the footnotes.

4. **Co- authorship**
Co-authors up to 3 shall be permitted. However, the registration fee will be charged per individual and not per abstract/paper.

5. **Paper presentation**     The participants whose papers are accepted will present their ideas in a 10-minute presentation before a panel.

6. **Book Release**     All the selected papers shall be published in a book as a Conference Proceedings. The Book shall be bearing an ISBN Number and shall have a DOI. The organising committee shall try to handover the Conference Proceedings to the Ministry of IT & Electronics, Government of India.

## Schedule of Dates
