ABOUT TECHNO INDIA UNIVERSITY, WB

Techno India University, West Bengal was conceptualized under the aegis of the Techno India Group and was established by virtue of the WB State Legislature Act in the year 2012. It has been one of the dream projects of the Chief Minister of West Bengal, Smt. Mamata Banerjee. Standing tall as the first private university of West Bengal, Techno India University, West Bengal is an institute of world-wide repute in the field of education, research and technology. Ever since its inception, Techno India University, West Bengal's undergraduate, postgraduate and doctoral candidates have shown remarkable performances in their respective fields on account of the high-quality education imparted by our distinguished professors and mentors. History bears testimony to the fact that Techno India University, West Bengal has earned its well-deserved respect and recognition in the world of education, research and technology primarily due to its strong emphasis on the holistic grooming and development of the students.
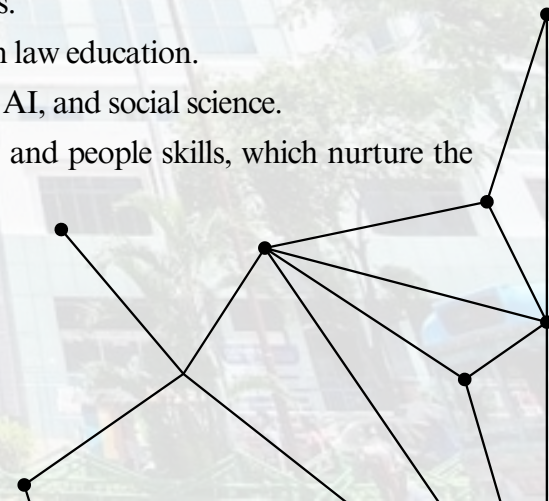

ABOUT DEPARTMENT OF LEGAL SCIENCE, TIU, W.B

The Department of Legal Science at Techno India University, West Bengal, is dedicated to nurturing the legal leaders of tomorrow through its comprehensive range of programs. From the five-year integrated BBA LLB and BA LLB courses, which lay a strong foundation for aspiring lawyers right from the undergraduate level, to the three-year LLB course designed for graduates seeking to delve deeper into the realm of law, the department offers a diverse and enriching educational experience. For those looking to specialize further, the two-year LLM program provides an avenue for advanced study in specific legal disciplines. Moreover, the department also facilitates scholarly exploration through its Ph.D. in Law program, fostering research and innovation within the legal sphere. With a focus on academic excellence, practical skill development, and critical thinking, the Department of Legal Science at Techno India University equips students with the knowledge and expertise necessary to thrive in the ever-evolving field of law.

Key Features

- State-of-the-art infrastructure for law education and research.
- Guidance on internships and placements, as well as participation in debates.
- Courses are divided between classroom instruction and practical training in law education.
- Courses have an interface between law, management, science, technology, AI, and social science.
- Guidance and training on good communication, analytical, presentation, and people skills, which nurture the creativity of students and form a basic foundation for any law profession.

PREVIOUS FACULTY DEVELOPMENT PROGRAMMES

The Faculty Development Programme in 2022 focused on "LEGAL RESEARCH AND TEACHING METHODS" and was held from August 23rd to 27th, 2022. The program addressed various critical aspects aimed at enhancing legal education:

1. Introduction to Teaching Methods and Research Tools: Participants were introduced to and discussed effective methods alongside essential research tools and techniques in the field of law.

2. Importance and Challenges of Examination: The significance of examinations in assessing student understanding and the challenges inherent in the examination system were explored and discussed.

3. Facilitating and Engaging Teaching-Learning Processes: Strategies were shared on the teaching and learning process more interactive, engaging, and conducive to participation and comprehension.

4. Data Collection, Statistical Tools, and Data Analysis: Methods and tools for collecting data in legal research, including the application of statistical tools in empirical research.

5. Processing, Analysis, and Interpretation of Data: Participants learned about the processes involved in processing, analyzing, and interpreting data in legal research to draw meaningful conclusions.

6. Research Ethics and Knowledge Replenishment: The importance of research ethics and continuous knowledge updating in legal research were underscored to maintain academic integrity and relevance.

7. Relevance of Indexing in Research Work: The role and significance of indexing in organizing and enhancing the accessibility of research work in the legal field were discussed.

Overall, the programme aimed to equip faculty members with advanced skills and knowledge necessary for effective teaching and impactful legal research, promoting continuous improvement and innovation in legal education.

The Faculty Development Programme, 2023 titled "Dynamic Shifting of Legal Education and Teaching Techniques in Light of National Education Policy" took place from August 14th to 19th, 2023. The program focused on several key topics essential for advancing legal education:

1. Reforms in Education System through NEP: Discussions centered on the reforms introduced by the National Education Policy (NEP) and their implications for legal education.

2. Relevance of Comparative Legal Research: Participants explored the importance and methodologies of comparative legal research in shaping contemporary legal studies.

3. Nature of Post-graduate Studies and Research in Law: Insights were shared on the nature, scope, and advancements in post-graduate studies and research within the legal field.

4. Substantive Criminal Law: Emphasis was placed on adopting nuanced pedagogical approaches to enhance student outcomes and holistic development in the study of substantive criminal law.

5. Developing Curriculum for Legal Education: Experts discussed strategies for designing effective legal education curricula, focusing on course design, learning outcomes, and syllabus development.

6. Influence of NEP 2020 on Legal Education: The impact of NEP 2020 specifically on legal education was critically examined, addressing changes and adaptations needed in academic programs.

7. Interplay of Technology and Legal Education in India: Sessions explored the evolving relationship between technology and legal education, highlighting opportunities and challenges in integrating technology into legal pedagogy.

The programme aimed to equip faculty members with updated knowledge and methodologies to align legal education with current educational reforms and technological advancements.

ARTIFICIAL INTELLIGENCE AND LEGAL PEDAGOGY

OBJECTIVE

To equip faculty memberswith a thorough understanding of AI concepts,technologies, and theirapplications within the legal field.

To analyze the ethical, legal, and societal implications of AI in the legaldomain to prepare educators to address these issues in their teaching.
To promoteand support researchin AI and legal studies,encouraging interdisciplinary collaboration and the development of innovative legal solutions.

PLATFORM

The Faculty Development Programme will be held online in order to facilitate participants from every corner of the world. E-certificates will be provided within 30 days after the completion of the sessions.

SUB THEMES OF THE FDP

Advancement of Technology Is an EmergingArea for Crimesfor Criminal Law

Application of AI Tools In Creating Data Analysis and Excel Sheets

Intersection between IPR and AI (Inventorship and Authorship)

Application of AI Tools During Framing ResearchManuscript·

Application of AI Tools In Creating PowerPoint Presentation

Importance of Application of AI Tools In Legal Pedagogy

Ethical Approach in Application of AI Tool In Judiciary

Application of AI Tools in Drafting Legal Documents.

Impact of AI In TeachingLearning Process

Intersection between Copyrightand AI

LIST OF RESOURCE PERSONS

Prof. Dr. Kavita Singh
Professor, NUJS
Topic: Advancement of Technology Is an Emerging Area for Crimes for Criminal Law
Date & Time: 27th August, 2024, 1 PM - 2 PM

Mr. Neeraj Kumar
Training and Development (HR), Life Coaching, Soft Skills Training Expert, Stress Management Digital Marketing, Business Coaching
Topic: Application of AI Tools In Creating PowerPoint Presentation
Date & Time: 27th August, 2024, 2.30 PM - 3.30 PM

Dr. Sowmiya Rani K. S
Editor, Editage (Cactus Communications) Founder, Editor, & Reviewer at Sowmis_AWW
Topic: Application of AI Tools During Framing Research Manuscript
Date & Time: 28th August, 2024, 11 AM - 12 PM

Dr.G. R. Raghavender
Senior Consultant (IPR), Dept for Promotion of Industry & Internal Trade (DPIIT), Govt. of India. Joint Secretary(Retd.),Min of Law and Justice, and Former Registrar of Copyrights. IPR Law & AI Technologies Expert.
Topic: Intersection between IPR and AI (inventorship and authorship)
Date & Time: 28th August, 2024, 2 PM - 3 PM

Shri Sarbajeet Choudhury
Deputy Registrar (Vigilance) cum C.P.C., High Court of Tripura
Topic: Ethical Approach in Application of AI Tool In Judiciary
Date & Time: 29th August, 2024, 11 AM - 12 PM

LIST OF RESOURCE PERSONS

Prof. Dr. Anirban Mazumder

Professor, NUJS
Topic: Intersection between Copyright and AI
Date & Time: 29th August, 2024, 2- 3 PM

Dr. Ajay Jamnani

Associate Professor, KLS Institute of Management Education and Research Digital
Marketing, Business Coaching, AI Tools Research Facilitator, SPSS Tools Trainer
Topic: Impact of AI In Teaching Learning Process
Date & Time: 30th August, 2024, 11 AM - 12 PM

Prof. Dr. Heleena Sengupta

Professor and Head of Department of Civil Engineering, Techno India University
Topic:Application of AI Tools In Creating Data Analysis and Excel Sheets
Date & Time: 30th August, 2024, 2- 3 PM

Mr. Tanmay Agarwal

Assistant Professor, ICFAI Law School, Hyderabad
Topic: Leveraging Artificial Intelligence for Legal Research via Professional Tools
Date & Time: 31st August, 2024, 11 AM - 12 PM

Dr. Samraggi Chakraborty

Assistant Professor at School of Law, NMIMS, Bangalore
Topic: Importance of Application of AI Tools In Legal Pedagogy
Date & Time: 31st August, 2024, 2- 3 PM

OUR PATRONS

PATRON IN CHIEF
