About Delhi Metropolitan Education

Delhi Metropolitan Education (DME) was established in August 2012 under the aegis of Sunshine Educational & Development Society, which has been dedicated to working in the field of education for over 16 years. DME is affiliated with the prestigious Guru Gobind Singh Indraprastha University (GGSIPIU), New Delhi, and is approved by the Bar Council of India.

DME is deeply committed to its vision of creating future leaders and nation-builders. The institute's endeavours in educating young minds are aimed at forming and sustaining conditions that enable students to embark on an unparalleled educational journey that is intellectually, socially, and personally transformative and enriching. DME offers sought-after courses in the fields of Management, Journalism and Law.

About DME Research Cell

Research Cell, DME, is an institutional-level committee dedicated to facilitating and aiding research and working untiringly to develop the academic and research skills of faculty members. Its Student body was developed to educate students about different aspects of research, providing them with a platform to cultivate and hone their skills.

About the Student Conclave

In an era where digital transformation drives industries, economies, and societies, discussions around Cyber and Data Protection have never been more critical. Recent incidents, such as the growing prevalence of ransomware attacks, data breaches, and the misuse of personal information on social media platforms, underscore the vulnerabilities inherent in our increasingly interconnected world. These events highlight the need for robust frameworks that address privacy, security, and the ethical use of technology across sectors, including law, media, and business management. As digital technologies evolve, so too must our approaches to safeguarding innovation and integrity.

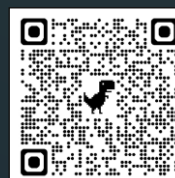

Recognizing these challenges, the DME Research Cell is convening the upcoming Student Conclave, inviting submissions that engage with the complexities of the digital age from multidisciplinary perspectives. The Conclave's theme, "**Digital Age Dilemmas: A Multidisciplinary Approach to Protecting Innovation and Integrity**," aims to foster discussions that bridge law, media, and management, ensuring a holistic exploration of the digital landscape in India. This Conclave encourages students to contribute their insights, research, and innovative ideas, nurturing a collaborative environment where emerging scholars can engage with legal experts, policymakers, and industry professionals to discuss the evolving landscape of cyber laws in India.

CALL FOR SUBMISSIONS

We invite students from all academic disciplines to share their original and unpublished works exploring various aspects of the digital age, including digital rights, intellectual property, media regulation, and business management, with a focus on protecting innovation and integrity across multiple fields

Registration

Please note that the Conclave will be held in hybrid mode on 22nd November, 2024 (Offline) and 23rd November, 2024 (Online). Registration has to be done after the acceptance of abstracts by 12th November, 2024.

Who all can participate?

Undergraduate Students
Postgraduate Students
Research Scholars
(From all branches and fields of education)

Submission Guidelines:

- Participants are invited to submit an extended abstract (800-1000 words) relevant to the central theme of the Conclave in Word Document format. Co-authorship of up to only two authors is permitted.

Formatting Guidelines:

Single Column, A4 Size, 1.5-line spacing

- Font Style: Times New Roman, Size 12
- Each submission must include a cover page with the following details:
- Title of the Long Abstract
 - Author(s)
 - Affiliation(s)
- Contact Details (including an active email address and mobile number)

Additional Guidelines:

- Experts will review abstracts, and only those approved by the reviewers will be selected. Authors will be notified of acceptance in the first week of November. Acceptance implies that at least one author will attend the Conclave and present the abstract.
- Only original, unpublished work will be considered. Proposals presenting identical or substantially similar work already published or under review elsewhere will not be accepted.
- All papers shall be strictly subjected to anti-plagiarism software and scrutinised through blind review of the Editorial board. The paper should be original and unpublished work of the author(s), and plagiarism is strictly prohibited. Plagiarism criteria: 10 per cent, excluding footnotes and bibliography.
- The sub-themes provided are merely indicative and not exhaustive. Participants are free to choose any topic relevant to the conclave's central theme.
- All participants will receive E-Certificates.
