ONLINE NATIONAL WORKSHOP ON THE PRACTICAL ASPECTS OF INTELLECTUAL PROPERTY LAW

About the Programme

This workshop is designed to provide participants with a comprehensive understanding of how Intellectual Property (IP) law is applied in real-world scenarios. This workshop aims to bridge the gap between theoretical knowledge and practical application, making it especially valuable for law students, legal professionals, academicians, and business owners who deal with IP assets or are looking for a future in Intellectual Property law.

Sub-Themes of the Sessions:

The Workshop shall encompass Sessions on the following aspects and sub-themes:

Session 1: Introduction to Intellectual Property Law & IP Litigation

Session 2: Emerging Issues in IPR and Career Prospects for Lawyers

Session 3: Practical Session on IP filing and registration.

Who can Participate?

The program may be attended by anyone including, students/research scholars and academicians in the field of law, legal professionals, industry practitioners, etc., having an interest in gaining knowledge about Intellectual Property Law and its practical implications.

Each participant shall get a 'E-Certificate of Participation'.
