TNNLU, TIRUCHIRAPPALLI

**LOCATE
TNNLU**

ABOUT TNNLU

The Tamil Nadu National Law University, established by the Government of Tamil Nadu through Act No. 9 of 2012, offers globally competitive legal education on its 25-acre campus in Tiruchirappalli, Tamil Nadu.

Recognized by the UGC and BCI, TNNLU is a member of the Association of Indian Universities and the Shastri Indo-Canadian Institute. It offers various UG, PG, and research programmes in law with a strong academic environment featuring expert faculty, active student participation in co-curricular and extracurricular activities, and a robust alumni network.

TNNLU has 14 research centres in diverse fields of law and actively engages in teaching, training, publication and research.

ABOUT CIL

The Centre for Investment Laws ('CIL') was established by the Tamil Nadu National Law University (TNNLU) in 2021. It aims to address the rising demand for expertise in investment laws within India, particularly in Tamil Nadu.

Funded by a seed money of ₹10 lakh grant from the Tamil Nadu Government, the CIL fosters research on legal issues related to FDIs, SEZs, strategic thinking in investment laws, and organising various academic events like conferences. The Centre further aspires to assist policymakers in developing a legal innovation ecosystem, facilitating investments by supporting interdisciplinary research.

One of the Visions of the CIL is to become a regional research hub and thought leader for research on investment-related laws in India.

CONCEPT NOTE

Over the past few years, India's investment landscape has seen remarkable transformation, largely influenced by economic reforms, policy adjustments aimed at ease of doing business, and the progressive integration of the global economy. The evolving legal frameworks governing domestic and foreign investments are crucial in shaping the country's economic trajectory. To become a prominent global investment hub, India must comprehensively evaluate its existing investment laws, assess the obstacles encountered during their implementation, and explore potential legal and policy reforms.

The aim of the Conference is to analyse India's global investment position, with a specific emphasis on balancing, attracting foreign investment and protecting national interests. The key focus of this conference is to examine the various state policies across India, particularly highlighting best practices that stimulate economic growth and attract investments. By promoting interdisciplinary discourse, the Conference aims to contribute to developing investment law and policy in India, ensuring its alignment with the nation's enduring economic objectives and international commitments.

This One-Day Hybrid National Conference brings together academics, legal practitioners, policymakers, industry experts, and students to explore India's current state of investment laws. The primary goal is to examine the legal and regulatory frameworks governing investments, address implementation challenges, and propose innovative solutions to foster an environment conducive to domestic and foreign investments. Key topics for the Conference include investment policies, dispute resolution mechanisms, regulatory challenges, and the impact of recent legal developments on the investment landscape.

A TIMELINE OF KEY DATES

Thursday, 22 August 2024
Conference Notification

Friday, 23 August 2024
Opening of Registration

Wednesday, 04 September 2024
Submission of Abstracts

Monday, 09 September 2024
Selection of Abstracts

Tuesday, 24 September 2024
Submission of Full Papers

Saturday, 28 September 2024
**Intimation of Full
Paper Acceptance**

Monday, 30 September 2024
**Last Date for the Payment
of Registration Fees**

Saturday, 05 October 2024
The Conference Day

THEMES

THE FOLLOWING THEMES ARE ILLUSTRATIVE AND NOT EXHAUSTIVE. PARTICIPANTS ARE ENCOURAGED TO SUBMIT FULL PAPERS ON ANY TOPIC RELEVANT TO THE CONFERENCE THEMES
