INVITATION TO THE WORLD CONGRESS OF CRIMINOLOGY 2025

Jindal Institute of Behavioural Sciences, O. P. Jindal Global University (JGU) and International Society of Criminology (ISC – SIC) welcome you to the World Congress of Criminology 2025 to be held at **O. P. Jindal University Campus** in the New Delhi Capital Region (NCR), India from the **19th to 22nd June 2025**. We invite you all to dive into the dynamic realm of criminology as we explore cutting-edge research, innovative strategies, and thought-provoking discussions that shape the future of criminal justice. This conference promises to be a melting pot of ideas, where diverse perspectives converge to foster a deeper understanding of crime, justice, and societal impact.

MAIN THEME: Exploring the Dynamics of Crime: Contemporary Challenges and Innovations in Crime Prevention and Criminal Justice

TYPES OF PRESENTATIONS:

- Individual Paper Presentation
- Poster Presentation
- Panel Discussion
- Rapid/Flash Presentation
- Author Meets Critic

For details of each type of presentation and their abstract submission guidelines, please visit: https://jibs.edu.in/abstract-submission/

ABSTRACT SUBMISSION:

Abstract submission closes on 31st January 2025.
To submit your abstract please click this link:
https://docs.google.com/forms/d/e/1FAIpQLSfn4sbdcPynvpr8yhtRkoCOSmr_l1RpevSFf1PRz_N97bYXkQ/viewform

REGISTRATION:

Early bird registration ends on 31st January 2025. All presenters/speakers and attendees must register in this link (https://docs.google.com/forms/d/e/1FAIpQLSc0hkt52GI27jh-IQ2hdkFv-0c89ETZIvQM5zEcZzsXZiDISg/viewform) to attend the conference.

ACCOMMODATION

Excellent accommodation facilities will be provided at JGU campus for our delegates. inclusive within the registration fees. There are clean and comfortable rooms equipped with double/ triple/ quad sharing accommodation with mattress, pillow, and duvet, and access to RO purified drinking water, and Wi-Fi. Gymnasium and sports facilities, health centre, food court, and convenience stores are also available within campus.

Alternatively, delegates may choose to stay outside the campus at nearby hotels with comfortable rooms at affordable prices. However, the organizing committee will not be responsible for booking accommodations outside campus. Shuttle services will be arranged to transport guests between hotels and the venue in the morning and evening.

HOW TO REACH THE VENUE?

Organizers will provide shuttle service between the Indira Gandhi International Airport and the venue on 19th and 22nd June 2025 for International Delegates. For airport transfers on June 20th and 21st, reliable cab services can be arranged for delegates on a chargeable basis, with prior notification to the organizers.

Delegates arriving from Delhi can use the JGU shuttle service from Haiderpur metro station (Yellow Line) to reach the conference venue. The metro network also connects to the airport, allowing delegates delayed due to unforeseen circumstances to reach Haiderpur Metro Station and then avail the JGU shuttle service.

From New Delhi Railway Station, delegates can take a taxi (1.5 to 2 hours depending on traffic) or the Yellow Line metro to reach Haiderpur. From Old Delhi Railway Station, a taxi to JGU takes approximately 1.5 to 2 hours, or delegates can use the Yellow Line metro from Chandani Chowk Station to reach Haiderpur. After reaching Haiderpur Metro Station one may avail the JGU shuttle service. Detailed shuttle schedules will be provided closer to the conference date.

CONFERENCE SUB-THEMES AND TOPICS

I. Crime Trends and Patterns
- Emerging Crime Hotspots Globally
- Seasonality and Temporal Patterns of Crimes
- Urban vs. Rural Crime Dynamics
- Demographic Shifts and Crime Rates

II. Crime Against Vulnerable
- Elder Abuse and Crime
- Crimes against Children: Trends and Prevention
- Impact of Gender and Sexual Orientation on Victimization
- Exploitation of Migrants and Refugees

III. Technology and Cybercrime
- Cyberbullying and Online Harassment
- Trends in Cyber Fraud and Identity Theft
- Challenges in Cybercrime Legislation and Enforcement
- The Rise of Ransomware Attacks and Defense Strategies

IV. Victimology and Victim Assistance
- Psychological Impact of Crime on Victims
- Role of Victim Advocacy Groups in the Justice System
- Restitution and Compensation Mechanisms
- Best Practices in Victim Support Services

V. Transnational Organized Crime and Terrorism
- Financing of Terrorism and Countermeasures
- Cross-Border Human Trafficking Patterns
- Drug Trafficking and International Cartels
- Policy Responses to Transnational Organized Crime

VI. Financial Crime and White-Collar Crime
- Emerging Trends in Money Laundering
- Combating Corporate Fraud
- Role of Financial Technology in Preventing White-Collar Crime
- Ethics and Accountability in Banking and Finance

VII. Crime Prevention and Community Engagement
- Community Policing Success Stories
- Role of Education in Crime Prevention
- Public-Private Partnerships in Security
- Engagement Strategies for At-Risk Youth

VIII. Rehabilitation and Reintegration Of Offenders
- Programs Proven to Reduce Recidivism
- Challenges in Offender Employment Post-Incarceration
- Psychological Approaches to Rehabilitation
- Effectiveness of Correctional Education Programs

IX. Policing and Law Enforcement Strategies
- Use of Force Policies and Community Response
- Innovations in Tactical Response
- Racial Bias and Policing
- Integration of Technology in Law Enforcement

X. Restorative Justice
- Case Studies on the Success of Restorative Justice
- Restorative Practices in Schools and Communities
- Challenges in Scaling Restorative Justice Programs
- Victim-Offender Mediation Outcomes

XI. Criminal Justice Reforms and Policy Implementation
- Decriminalization and its Effects
- Bail Reform and Pretrial Detention Changes
- Sentencing Guidelines and Judicial Discretion
- Transparency and Accountability in Law Enforcement

XII. Crime, Society, and Inequality
- Socioeconomic Factors and Crime
- The Impact of Social Inequality on Crime Rates
- Racial Disparities in Criminal Justice
- Cultural Influences on Crime and Enforcement

XIII. Crime Data Analytics and Predictive Modelling
- Big Data in Crime Prediction
- Accuracy and Ethics of Predictive Policing
- GIS and Spatial Analysis in Crime Mapping
- Machine Learning Applications in Criminal Investigations

XIV. Victim Support and Empowerment
- Empowering Victims through Legal and Social Work
- Innovations in Crisis Intervention
- Role of Technology in Victim Support
- Building Resilient Support Networks for Victims

XV. Ethics and Human Rights in Criminal Justice
- Surveillance and Privacy in the Digital Age
- Ethical Considerations in Criminal Profiling
- Human Rights Violations in Detention and Custody
- Ethical Dilemmas in Criminal Justice Practices

XVI. Criminal Profiling and Behavioural Analysis
- Advances in Psychological Profiling
- The Use of AI in Behavioral Analysis
- Case Studies on Serial Crime Solving
- Limitations and Challenges of Profiling Techniques

XVII. Advancement in Criminological Theory and Research
- Contemporary Theories in Crime Causation
- Interdisciplinary Approaches to Criminology
- Future Directions in Criminological Research
- Integrating Criminology with Other Social Sciences

XVIII. Intersectionality, Marginalisation, and Equity
- Crime Impact on Different Racial and Ethnic Groups
- Intersectional Approaches to Criminal Justice Policies
- Addressing Equity in Sentencing and Treatment
- The Intersection of Gender, Race, and Class in Criminal Justice

XIX. AI, Big Data, and Predictive Policing
- Ethical Concerns in AI Deployment
- Success Stories and Failures of Predictive Policing
- AI's Role in Evidence Analysis
- Future Trends in AI and Law Enforcement

XX. Forensic and Investigative Psychology
- Psychological Techniques in Criminal Investigations
- Profiling and Understanding Criminal Mindsets
- Forensic Psychology in Courtrooms
- Advances in Interrogation Techniques

XXI. Mass Violence and Transitional Justice
- Case Studies on Post-Conflict Reconstruction
- Strategies for Addressing Mass Atrocities
- Role of International Tribunals and Courts
- Healing and Reconciliation Processes after Mass Violence
