is organizing the

**International Conference on Public Policy 2025 (ICoPP'25)**

***Rethinking Public Services: Advancing Policy, Delivery, and Impact***

*Venue: Amity University Noida, Uttar Pradesh (On-Campus / Hybrid Mode Available)*

### **About the Conference**

Housed in Amity University NOIDA, Amity Institute of Public Policy (AIPP) proudly announces its 3rd Annual International Conference on Public Policy 2025 (ICoPP'25). This premier gathering offers an interdisciplinary platform for students, researchers, academicians, and industry professionals to engage in critical discussions on contemporary challenges in public policy. The conference aims to delve into the most pressing issues of our time, facilitating debate and collaboration on policy interventions that address the changing dynamics of our world. ICoPP'25 comes at a pivotal time when nations across the globe are grappling with the impact of devastation, disaster, and lack of cohesive action. These global forces are reshaping how public services are delivered and how communities—both urban and rural—respond to them.

ICoPP'25 will focus on key drivers of change in public service delivery, including technological innovations, sustainable financing models, and community-driven social entrepreneurship. Topics will explore how digital governance, data-driven decision-making, and collaborative financial frameworks are redefining public services to meet urban and rural populations' diverse needs.
