Call for Papers

The Journal on Development of Intellectual Property and Research (JDIPR) is now inviting submissions for the First issue. We welcome contributions from academicians, practitioners, researchers and students worldwide.

About Journal on Development of Intellectual Property and Research (JDIPR)

The *Journal on Development of Intellectual Property and Research (JDIPR)* is an international academic journal serving as a premier platform for disseminating cutting-edge research and insightful perspectives in the interdisciplinary domains of *Intellectual Property Rights* and *Technology Law*. JDIPR is the flagship Journal of the *Centre for Development of Intellectual Property and Research (CDIPR)*, *Naovina Development of Intellectual Property and Research Foundation*. The journal is committed to advancing the understanding and application of intellectual property laws in a rapidly evolving technological landscape. It serves as a platform for interdisciplinary research and policy analysis, aiming to bridge the gap between law, technology, and society. JDIPR is committed to fostering a global dialogue that bridges the gaps between theory, practice and policy in intellectual property and technology driven innovations. For more information, visit <https://journal.cdipr.ac.in>.

About Centre for Development of Intellectual Property and Research (CDIPR)

The *Centre for Development of Intellectual Property and Research (CDIPR)* is a premier institution established under the Indian Centre for Child and Human Rights (ICCHR) as *India's First Non-Governmental Research Organisation dedicated to Intellectual Property Rights (IPRs)*. Operating under the *Naovina Development of Intellectual Property and Research Foundation* as a registered Non-Governmental Organisation (NGO), CDIPR is dedicated to promoting and protecting Intellectual Property Rights (IPRs) within India, thereby fostering a conducive environment for innovation and creativity. In today's global landscape, where

Intellectual property serves as a cornerstone for economic growth, technological advancement and cultural development, CDIPR plays a pivotal role in driving forward-thinking policies, research and education. We are a community, Connecting 2200+ Members & 12,300+ Global Academicians on Intellectual Property Rights. Please visit our website (<https://cdipr.ac.in>) for more details.

Scope of JDIPR

JDIPR is uniquely positioned at the crossroads of law and technology, addressing the challenges and opportunities presented by the rapid advancements in innovation. Its thematic coverage includes, but is not limited to:

1. **Patent Law:** Exploring the complexities of patent protection, litigation, and global harmonization.
2. **Copyright and Digital Media:** Addressing the challenges posed by content creation, distribution and piracy in the digital age.
3. **Trademark Law:** Investigating the role of trademarks in brand protection, especially in e-commerce and social media.
4. **Emerging Technologies:** Examining the legal implications of artificial intelligence, blockchain, quantum computing, and metaverse technologies.
5. **Geographical Indications:** Analyzing the protection of regional goods, cultural heritage, and indigenous knowledge.
6. **Sustainability and IP:** Investigating the role of intellectual property in achieving the United Nations' Sustainable Development Goals (SDGs).

Submission Guidelines

General Guidelines

1. **Originality:** Submissions must be original, unpublished, and not under consideration elsewhere. Plagiarism will lead to immediate rejection.
2. **Language:** All submissions must be in English.
3. **Authorship:** Submissions may have up to two co-authors.

Formatting Guidelines

1. **Font and Size:** Times New Roman (14pt for heading, 13pt for subheadings, 12pt for the body, 10pt for footnotes).
2. **Line Spacing:** 1.5 for the main text, single for footnotes.
3. **Margins:** 1-inch margins on all sides.
4. **Alignment:** Justified text alignment.

Citation Style: Follow the **Oxford Standard for Citation of Legal Authorities (OSCOLA)** for referencing. Ensure that all sources are appropriately cited. No endnotes allowed.

Abstract: Each submission must include an abstract of up to 300 words, summarising the core arguments and significance of the paper.

Submission Categories

We welcome contributions in the following categories:

1. **Research Articles:** Comprehensive analyses or critical studies on IP-related topics (4,500–6,000 words).
2. **Case Commentaries:** Detailed examination of landmark cases or recent legal decisions (2,500–4,000 words).
3. **Policy Papers:** Policy/Legislative Analysis with practical recommendations on legislative reforms or policy initiatives or statutes (3,000–5,000 words).
4. **Book Reviews:** Critical evaluations of recent publications in the field (1,500–2,500 words).
