2ND AUMP ANNUAL CONFERENCE

MARCH 27TH - 28TH, 2025

ABOUT THE EVENT

The rapid advancement of Artificial Intelligence (AI) has revolutionized various aspects of society, raising critical questions at the intersection of Intellectual Property Rights (IPR), Human Rights, and AI governance. This event seeks to engage scholars, legal experts, policymakers, and industry professionals in an interdisciplinary dialogue on the evolving challenges and opportunities in this digital era.

This event will explore the ethical, legal, and socio-economic implications of AI in Intellectual Property and Human Rights frameworks, emphasizing sustainable and fair digital transformations. Through in-depth discussions and research contributions, we aim to highlight best practices and regulatory mechanisms to foster balanced innovation and protection in the AI-driven world.

2ND AUMP ANNUAL CONFERENCE

MARCH 27TH - 28TH, 2025

MESSAGE FROM THE CONVENORS

Dear Scholars, Researchers, and Practitioners,

It is with great pleasure that I invite you to participate in the Conference on “Synergies in the Digital Era: Navigating the Intersection of Intellectual Property Rights, Artificial Intelligence, and Human Rights” organized by Amity Law School, Amity University Madhya Pradesh. As the Convenor, I, Dr. Vijay Srivastava, Associate Professor, welcome you to this thought-provoking and insightful academic gathering.

In today’s rapidly evolving digital landscape, the convergence of AI, human rights, and intellectual property rights presents both unprecedented opportunities and complex challenges. This conference aims to explore and highlight the uncovered perspectives of AI and human rights in IPR, shedding light on the emerging legal, ethical, and policy dimensions. By bringing together experts from various fields, we seek to create a platform for scholarly discussions on the multifaceted impacts of AI, as well as unexplored career possibilities and challenges associated with this dynamic domain.

I encourage academicians, legal practitioners, policymakers, and industry professionals to contribute their research and perspectives to this significant discourse. Your participation will not only enhance academic collaboration but also contribute to shaping future regulatory and ethical frameworks in the digital age.

Looking forward to engaging discussions and meaningful contributions.

Warm regards,

Dr. Vijay Srivastava

Associate Professor, Amity Law School

Amity University Madhya Pradesh

Dear Esteemed Participants,

It is with great enthusiasm that I welcome you to the Conference on “Synergies in the Digital Era: Navigating the Intersection of Intellectual Property Rights, Artificial Intelligence, and Human Rights” organized by Amity Law School, Amity University Madhya Pradesh.

In an era where artificial intelligence is evolving at an unprecedented pace, legal frameworks struggle to keep up with the rapid advancements in technology. The absence of clear regulations governing AI and emerging digital innovations poses significant challenges to policymakers, legal professionals, and researchers worldwide. As members of the legal fraternity, it is imperative that we must engage in meaningful discussions to understand these complexities and explore viable solutions.

This conference aims to bring together scholars, practitioners, and experts from diverse fields to deliberate on the legal, ethical, and societal implications of AI-driven transformations. Through insightful discussions and collaborative exchanges, we seek to develop a deeper understanding of the challenges at hand and explore pathways for a robust legal framework that safeguards innovation while ensuring fundamental rights.

I look forward to thought-provoking dialogues and valuable contributions that will shape the future of law in the digital age.

Warm Regards,

Dr. Hemant Singh

Associate Professor, Amity Law School
