## A Vibrant Vision For New Bihar

### About Us

Bihar as a state has one of the largest numbers of youth populace and yet ironically it remains the most under-represented section in Bharatiya Rajniti. And therefore, the dream of a developed Bharat remains distant without active youth engagement in its socio-political affairs. We all passionately talk about the change we wish to see in politics & governance but are generally unwilling to contribute to this cause. Bihar Chhatra Sansad also known as Bihar Student Parliament which started in 2015, is a platform that empowers youth to engage in political and democratic processes, voice their opinions, and cultivate critical thinking about politics & society.

### Vision

We aim at nurturing a spirited, well-informed, and politically conscious citizenry. The organization embraces the constitutional values of equality & diversity and is committed to India's collective progress. Through relentless efforts, we aspire to mold ethical and competent leaders who will serve the nation with integrity and transparency, thereby addressing the needs of society.

### Mission

To ignite the passion for engaging in positive politics among today's youth and instill in them a socially sensitive and public-spirited value system from an early age. We are committed to enhancing social sensitivity, awareness, involvement, responsiveness, access, and influence of young people in politics and the democratic process. Together, we strive to create a healthier and more inclusive democracy, ensuring a brighter future for the state of Bihar & ultimately for the Nation at large.

### Founder's Message

Greetings, It is with immense pride and excitement that I welcome you to the Bihar Chhatra Sansad, a platform that embodies the aspirations, intellect, and dynamism of Bihar's youth. When we envisioned Bihar Chhatra Sansad, we aimed to create more than just an event; we sought to establish a bridge between the brightest minds of our state and the boundless opportunities that await them. Bihar Chhatra Sansad isn't just a gathering; it's a convergence of dreams, ideas, aspirations and experience. It's a testament to the

**ANKIT KUMAR**

potential that simmers within our youth – a potential that, when nurtured and channeled right, can propel Bihar to remarkable heights. As we come together at Bihar Chhatra Sansad, let's celebrate not just what we are, but what we can become. Let's embrace the challenges, seize the opportunities, and collectively script a future that we can all be proud of.

# BCS Chronicles: Reliving Our Journey

## FOUNDING AND HISTORY

Bihar Chaatra Sansad (BCS) emerged as a beacon of change in 2015, founded by the visionary Mr. Ankit Kumar in Mujaffarpur, Patna, Bihar. This pioneering initiative marked a historic moment for Bihar as it brought together youth from all walks of life under one roof. The primary objective? To make a profound difference and reignite Bihar's lost glory.

## YOUTH UNITING FOR CHANGE

Since its inception, BCS has organized four impactful iterations, shedding light on critical societal issues. Today, BCS proudly extends its influence across all twelve districts of Bihar.

## CREATING IMPACTFUL CHANGE

BCS has touched the lives of countless Biharis through various transformative campaigns. From Election Awareness drives in collaboration with District Administration to Blood Donation initiatives and Education Awareness programs benefiting underprivileged children, BCS is a relentless force for positive change.

## COMMUNITY RESILIENCE

During trying times such as the Muzaffarpur and Patna Floods, BCS emerged as a helping hand. Their Social Awareness Programs in different panchayats during the Chamki Bukhar incident showcased their unwavering commitment to community welfare.

## CRISIS RESPONSE

The COVID-19 pandemic saw BCS stepping up with Food Distribution and Plasma Donation drives in Patna. Their efforts garnered recognition from both citizens and district administration.

## A NON-POLITICAL FORCE

BCS is a non-political platform that harnesses the boundless potential of youth to build a more developed, mature, and egalitarian society for future generations. Join us in our journey of empowerment, transformation, and community building. Together, we can shape a brighter tomorrow for Bihar.
