**ABOUT**

**KARNATAKA INSTITUTE FOR LAW AND PARLIAMENTARY REFORM  
(KILPAR)**

The Karnataka Institute for Law and Parliamentary Reform was established in the year 2005, as an initiative of the Department of Law, Justice and Human Rights and Legislation, Government of Karnataka. It is an autonomous institution registered under the Karnataka Society's Registration Act, 1960. The objectives of the institution are to develop into an advanced forum for reform of law and parliamentary practices, to undertake research in myriad dimensions of law and suggest law reforms, promote research, draft new legislations, play a vital role in bringing about legal awareness and awareness of parliamentary procedure and practices, organize conferences and seminars, undertake publication of research works and similar activities. In pursuance of the objectives the institute has published 85 books based on research, conducted more than 300 seminars on socially relevant law topics in collaboration with universities, organized model legislative assemblies for the benefits of students at zonal and state level, exclusive Model Legislative Assembly for lady students, training for Government advocates and prosecutors. The institution is marching ahead forging and innovative activities and programmes to commensurate with its objectives.

## **SOUNDARYA COLLEGE OF LAW (SCL)**

Founded in 2017 under the Soundarya Educational Trust (SET), Soundarya College of Law (SCL) is dedicated to providing quality legal education to students, fostering both academic excellence and holistic development. Set amidst the serene surroundings of two campuses—Havanoor Extension Campus and Soundarya Nagar Campus—SCL is committed to offering a blend of traditional values and modern education in a learner-centric environment.

As part of the Soundarya Group of Institutions, SCL provides an array of programs, including 3-Year LL.B and 5-Year B.A.LL.B & B.Com.LL.B courses. Affiliated to Karnataka State Law University, Hubballi, the college strives to cater to the dynamic demands of the legal profession, industry, and research. Our institution emphasizes not only academic learning but also the development of co-curricular skills, including sports, to ensure the overall growth of students.

Our vision is to be a leading institution that imparts quality legal education while upholding strong values, contributing to a just and egalitarian society. We aim to channelize the potential of our students to seize global opportunities. With our motto, "Your Success, Our Commitment," Soundarya College of Law is dedicated to shaping the future leaders of the legal profession.

## **ABOUT THE CONFERENCE:**

The Karnataka Institute for Law and Parliamentary Reform (KILPAR) organises Seminars/Conferences to generate high quality discussions churning out usable concepts, legislative policies and procedures which will serve as tools to tackle the legal problems the society faces. The object is to generate scholarly literature that will add to existing legal knowledge and usher in enacting new legislations and bring about law reforms. In this direction, Soundarya College of Law (SCL) is organizing a one-day conference on the topic "Protection of Children in Digital World" in association with KILPAR scheduled to take place on 22<sup>nd</sup> April, 2025.

This conference aims to bring together academicians, law professionals, research scholars, and law students to engage in high-quality discussions focused on the intersection of children's rights and cybercrime. With the increasing digital presence of children and their growing vulnerability to online threats, this conference will serve as a platform to explore legislative policies, legal frameworks, and strategies to safeguard children in the digital realm. We invite submissions of papers that contribute to scholarly literature, address emerging challenges, and propose effective solutions for protecting children online.

## **THEMES:**

Participants are encouraged to submit papers on the following suggested topics, or any other topic that aligns with the broader theme of the conference:

- The Role of Law Enforcement agencies in Protecting Children's Rights in the Digital Space
