ABOUT XSLAJ

XSLAJ has been established under St. Xavier's University, Kolkata to achieve quality based legal education and has a broader goal of preparing men and women for others. In its constant pursuit of excellence, it always strives to create a legacy of leadership, professional acumen and excellence. This society strives towards exploring the benchmarks of educational standards for the best outcome in areas of law. XSLAJ isn't limited by its professionalism, but empowered by it.

They say that it is impossible to tell where law stops and justice begins but here at XSLAJ, we strongly believe that it is the spirit and not the form of law that keeps justice alive, and along those lines we do conceptualize our events and activities, so that every student of XLS can get a clearer perspective of the two neighbouring concepts. At XLS, where gauging the power of law is considered as a supreme lesson, XSLAJ aims to create a platform, a rostrum for law students where they can go beyond the study material, delve deep into the world of law, explore infinite possibilities of how law can affect the system, and understand, in doing so, that to pursue law, is to pave justice.

“ MORE THAN A SOCIETY, XSLAJ IS A MAJOR STEP TOWARDS STRENGTHENING XLS IN ITS GROWING YEARS, AND HAS POTENTIAL TO BE THE HEART AND SOUL OF XLS. ”

ABOUT XMC'25

XMC'25 - The 3rd Xavier Mediation Competition 2025 represents the culmination of innovation and excellence in Alternate Dispute Resolution (ADR). XMC'25 invites undergraduate law students from any institution recognised by the competent authority to engage in meaningful deliberation, hone their mediation skills, and immerse themselves in a collaborative environment that fosters both personal and professional growth. Mediation, as a cornerstone of ADR, emphasizes cooperation, trust, and mutual understanding – qualities that set it apart from adversarial processes like litigation and arbitration. XMC'25 aspires to provide participants with a platform to explore these principles in practice, bridging the gap between theoretical knowledge and real-world application. By fostering critical thinking, strategic problem-solving, and a focus on equitable outcomes, XMC'25 empowers students to emerge as leaders in a rapidly evolving legal landscape.

THE VISION

Building on the overwhelming success of the last two editions, XMC'25 - The 3rd Xavier Mediation Competition 2025 aspires to go beyond a test of skills, aiming to create a transformative experience where participants develop a deeper understanding of mediation, a process rooted in collaboration and trust. XMC'25 envisions a platform that challenges participants to step outside their comfort zones, embrace real-world complexities, and grow into well-rounded professionals. Behind the competition lies a greater purpose: to prepare the next generation of legal leaders who approach disputes with empathy, creativity, and a commitment to equitable outcomes. More than just a competition, XMC'25 is a journey of learning and self-discovery, providing participants with the tools and confidence to navigate the evolving demands of the legal profession. It is about empowering students to push their boundaries, cultivate critical thinking, and leave better equipped to meet the challenges of tomorrow. Through XMC'25, the Xavier Society of Law and Justice reaffirms its dedication to shaping future-ready legal minds who uphold the values of justice, collaboration & innovation - enabling them to think critically, negotiate strategically & collaborate effectively in every aspect of their profession.

COMPETITION FORMAT

CLAUSE I - COMPETITION ROUNDS & QUALIFICATION CRITERIA

A. Preliminary Rounds (Prelims I & II)

All the Participating Teams shall appear twice in the Preliminary Rounds - once from the Requesting, once from the Responding Side, in the Prelims I & II - as per the sides allotted to them via the Draw of Lots. The Negotiating Pair of each Team - consisting of the Client & the Counsel - will be marked together as one unit, while the Mediator of each team shall be marked separately from that team's Negotiating Pair. Therefore, after the Preliminary Rounds, the Top 8 Mediators and the Top 8 Negotiating Pairs (Client-Counsel), with the highest cumulative (average) scores from both the Prelims (I & II), will advance to the Quarter-Finals. There shall be a Slot System in the Preliminary Rounds, i.e. the Teams will be allotted slots for their Mediation Rounds via the Draw of Lots, in Preliminary Round, I & II. In the Quarter Finals, the Qualifying Negotiating Pairs will be allotted a side to represent - Req. or Res. (as per the subsequent Draw of Lots for the Quarter-Finals).

B. Quarter-Finals (QF)

The Quarter-Final Round will be a Knockout Round, i.e., in this round, out of the two Negotiating Pairs and two Mediators in each Mediation Room, only one Negotiating Pair and one Mediator, getting more marks than the counter-participant(s), shall qualify to the Semi-Final Round. Therefore out of the 8 Mediators and 8 Negotiating Pairs in the Quarter-Finals, 4 Mediators and 4 Negotiating Pairs shall qualify to the Semi-Finals.

The marks of the Quarter-Final Round shall be exclusive of the Scores obtained in the Preliminary Rounds.

All the sessions (65 minutes) in the Quarter Finals will be held parallelly.

C. Semi-Finals (SF)

The Semi-Final Rounds will also be a Knockout Round, (similar to Quarter-Finals). Therefore, out of the two Negotiating Pairs and Mediators in each Mediation Room, only one Negotiating Pair and one Mediator, getting more marks than the counter-participant(s), shall qualify to the Final Round of XMC'25.

The marks of the semi-final rounds shall be exclusive of the Scores obtained in the Preliminary & Quarter-Final Rounds.

All the sessions (70 minutes) in the Semi-Finals will be held parallelly.

D. The Final Round

The qualifying participants from the Semi-Final Round i.e. 2 Mediators & 2 Negotiating Pairs will appear for the Final Round of XMC'25 - and the winners shall be adjudged on the basis of the scores given by the Judges.

IMPORTANT FACTS TO BE KNOWN:

1. The mediator of a team shall not be paired with his/her own team in any of the Prelims (I & II) - i.e. the Mediator of a Team will be a competing unit, separate from the Negotiating Pair (Attorney & Client) of the same team, hence there shall be no Team-Wise Marking. Therefore, there may be cases, wherein the Mediator of a Team qualifies for the other rounds, but the Negotiating Pair of the same team does not - or vice versa.
2. The Mediating Pair (consisting of two mediators from two different teams) in the rounds will be marked individually - and not as a Pair. The Mediators will advance individually, i.e. irrespective of their Team or Pair in a round.
3. The Client & the Counsel in a Negotiating Pair, however, will be marked together as a Pair - hence the Negotiating Pairs will not be changed throughout the duration of the Competition - and will advance together as a pair.

Random Pairing Post-Prelims: In the Preliminary Rounds (I & II), the Mediator from a Team will - under no circumstance - be paired with the Negotiating Pair of the Same Team. But in the Quarter-Finals, Semi-Finals & the Final Round - the allotments can be random, and such a case may arise where a qualifying Mediator and a qualifying Negotiating Pair belong to the same team, and they are grouped together.
