**About Centre for Academic Research and Excellence (CARE)**

The *Centre for Academic Research and Excellence (CARE)* is a pioneering institution under Shodhprakash Academic Research Foundation (a Non-Governmental Organization) dedicated to the advancement of academic research and quality legal education. CARE is driven by a clear and resolute mission to promote academic research and education. Its motto, “*Promoting Academic Research and Education*” encapsulates its unwavering commitment to empower scholars, researchers, students and legal professionals in their pursuit of knowledge and excellence.

CARE is recognised as a Special Academic Center under the *United Nations Academic Impact (UNAI)*. This recognition reaffirms our commitment to the principles of the UNAI, aligning our efforts with the broader global agenda for higher education, research, and societal impact.

CARE’s mission is to facilitate and nurture a culture of rigorous academic research, legal scholarship, and promote educational excellence. Its vision is to become a global hub for legal academia, recognised for its contributions to evolving jurisprudence and fostering a community of scholars committed to academic research and legal education.

### About the Publication of the Book

We are pleased to invite submissions for an upcoming edited book titled *Confluence of Law & Engineering*, which seeks to explore both the limits and possibilities of law in the age of environmental breakdown. It investigates the evolving legal frameworks that govern climate action, the rights at stake, and the regulatory designs needed to transition towards a just, resilient, and low-carbon future. This interdisciplinary volume will be published by Centre for Academic Research and Excellence (CARE) and aims to serve as a reference for academics, professionals, researchers, and policymakers working at the intersection of technology, regulation, and design.
