ABOUT RAI UNIVERSITY

Rai University is a UGC-recognized and NAAC-accredited private university established under the Gujarat Private Universities Act in 2012. Noted for its lush green campus near Ahmedabad, the university offers a wide span of skill-oriented academic programmes across law, engineering, management, sciences, pharmacy, agriculture and more. It emphasizes outcome-based learning, industry-academia partnerships, research productivity, international collaborations (e.g., Erasmus+), project-based learning and strong mentorship systems.

ABOUT SCHOOL OF LAW

The School of Law at Rai University is a prestigious institution established in 2014 with the goal of committed to delivering a quality of legal education and fostering the development of skilled legal professionals. Law school offers LL.B 3 Year undergraduate programme and 1 Year LL.M programme. Law schools play a crucial role in preparing individuals for the legal profession and contributing to the development of legal systems worldwide. Since its inception, the school has aimed to combine rigorous academic training with practical experience, ensuring graduates are well-prepared to meet the demands of the legal profession.

The School of Law at Rai University has showcased an impressive array of academic, professional, and cultural initiatives during the 2024-25 academic year, reinforcing its commitment to holistic legal education. Key academic events included specialized workshops on India's new criminal laws and the application of AI in legal research, alongside a National Faculty Development Programme and training in quantitative research methodologies to strengthen faculty and student capabilities. Practical learning was emphasized through educational visits to the Gujarat High Court and Vidhan Sabha, as well as immersive activities like moot court competitions, client counselling simulations, and courtroom dramas to develop real-world legal skills. Beyond academics, the School fostered cultural engagement through vibrant celebrations of festivals like Hariyali Teej and Ganesh Chaturthi, while national events such as the "Har Ghar Tiranga" rally and Republic Day tree plantation drive instilled civic responsibility. Interdisciplinary conferences on pressing topics like cybersecurity, artificial intelligence, and human rights further demonstrated the institution's alignment with contemporary legal challenges. Together, these initiatives reflect Rai University's mission to cultivate well-rounded legal professionals equipped with practical expertise, ethical grounding and a deep understanding of law's societal role.
