on Small Business Research
BODØ 18-20 MAY

Call for Abstracts

CONFERENCE TRACKS

In addition to the **General Track**, the Nordic Conference on Small Business Research 2026 will feature several **exciting theme tracks**. These tracks reflect **current research interests and challenges** in the field of **small business** and **entrepreneurship**.

Submit your abstract no later than **20 January 2026**

For full details, please visit the conference website:

KEYNOTES

We are pleased to announce that the following keynote speakers will join us:

Professor Henrik Berglund,
Chalmers University of Technology.

Professor Gry Agnete Alsos,
Nord University Business School.

DOCTORAL CONSORTIUM

The NCSB conference offers doctoral students an arena to develop their research projects through discussions with peers and experienced researchers in their line of research.

The NCSB2026 Doctoral Consortium will take place on **May 18**
