Maharashtra National Law University, Chhatrapati Sambhajinagar Organizes Capacity Building Program On “Integrating Interdisciplinary Perspectives in Modern Legal Teaching”

11-17 November, 2025 (Mode: Hybrid)

Legal education is transforming to meet complex social and economic challenges that traditional methods cannot address. The Capacity Building Program (CBP) aims to equip law faculty and researchers to integrate political science, sociology, economics, management, and history with legal studies. In alignment with NEP 2020, it emphasizes interdisciplinary learning, critical thinking, and innovative pedagogy, fostering curriculum development, collaborative research, and improved academic quality through an integrated, multi-disciplinary approach.

Objectives

- Enhance law faculty's teaching and research skills through interdisciplinary collaboration
- Integrate social science perspectives into legal education
- Promote innovative, interdisciplinary teaching and curriculum design
- Foster collaborative and comparative research across law and allied fields
- Build a network of educators advancing multidisciplinary legal education

Key Takeaways

- Grasp interdisciplinary legal value
- Interdisciplinary legal pedagogy training
- Developing model interdisciplinary modules applicable to law curriculum
- Capacity building for NEP 2020 implementation
- Fostering a network for multidisciplinary legal scholarship

Highlights

- First of its kind Capacity Building Program
- Focus on NEP 2020
- Sessions by renowned experts
- Seamless virtual access option
