

2nd MULTIDISCIPLINARY INTERNATIONAL CONFERENCE

**AI & NEW AGE TECHNOLOGY
RESPONSIBLE TECHNOLOGY FOR A RESILIENT
SUSTAINABLE FUTURE**

AINAT 2026 10TH – 11TH APRIL, 2026

ABOUT MANAV RACHNA UNIVERSITY

Manav Rachna University (MRU) is a leading State Private University (established by Haryana State Legislature Act No 26 of 2014 & under section 2(f) of UGC Act 1956), offering globally relevant education. The University has evolved from Manav Rachna College of Engineering (MRCE), which was established in the year 2004; a NAAC accredited 'A' Grade institution. The accreditations/rankings are testimonial to the trust of accrediting bodies in the quality of education being offered, a well-established teaching and learning process guided by the global best practices and a culture of academic excellence promoting research, innovation & entrepreneurship.

The School of Law, School of Business, and School of Education & Humanities at Manav Rachna University (MRU) are dedicated to delivering interdisciplinary and industry-driven education that fosters holistic development and global competence. These schools at MRU are committed to developing future-ready professionals who are equipped with critical thinking, leadership, and global perspectives in their respective fields.

ABOUT THE INTERNATIONAL CONFERENCE

In an era shaped by rapid technological advancement, Artificial Intelligence (AI) and emerging digital technologies are redefining the foundations of human interaction, governance, industry, and education. As societies navigate the complexities of digital transformation, the growing influence of AI demands critical reflection to ensure that innovation aligns with ethical, inclusive, and sustainable development. Although technology offers transformative potential to advance human development and support the United Nations Sustainable Development Goals (SDGs), it also poses complex challenges related to ethics, equity, accountability, data privacy, environmental degradation, labour displacement, and social vulnerability. As the world confronts climate instability, economic uncertainty, public health risks, and widening digital divides, the need for responsible, inclusive, and sustainable technology governance becomes more critical than ever. To advance this dialogue, Manav Rachna University is pleased to host the 2nd International Multidisciplinary Conference on Artificial Intelligence and New Age Technology (AINAT 2026) on the theme "Responsible Technology for a Resilient Sustainable Future."

AINAT 2026 seeks to bring together global scholars, researchers, educators, policymakers, technologists, legal experts, entrepreneurs, and industry leaders to engage in cross-disciplinary knowledge exchange. The conference aims to explore how responsible and human-centered AI can support social equity, environmental stewardship, economic resilience, and educational transformation ensuring that technology remains a catalyst for collective progress rather than disparity. AINAT 2026 emphasizes the urgent need to embed ethics, accountability, and sustainability into the technological ecosystem, ensuring that innovation uplifts, empowers, and protects.

The conference will be organized across interdisciplinary tracks aligned to the core strengths of the University's academic schools. It will feature expert keynote lectures, policy dialogues, thematic paper presentations, workshops, and industry-academia networking sessions. The conference aims to foster research collaborations, publication opportunities, and actionable strategies that support sustainable and ethical technological ecosystems.

CALL FOR PAPERS

The 2nd Multidisciplinary International Conference on "Responsible Technology for a Resilient Sustainable Future", organised by the Manav Rachna University, will be held from 10th April 2026 - 11th April 2026. The Conference invites contributions in the form of full-length scholarly papers documenting original and substantial research work.

- The abstract must be developed & submitted in Word Document Format typed in Times New Roman in 12 font size with 1.5 line spacing in not more than 300 words. It should not contain more than eight keywords.
- The abstract should contain personal details of the author(s) in the order: Title of the Paper, Name, Designation, Institute/University/College/Organization, Contact Number, E-mail, and Address of Correspondence of the Author(s).
- Kindly indicate the name of the main author for correspondence cases of more than one author(s)
- **Acceptance of the Abstract will be communicated via E-mail by 10 February 2026.**

Full Paper Submission

- The word limit of the paper shall be 5000–6000 words.
- The main text of the full paper should be in Times New Roman with a font size of 12 and a line spacing of 1.5.
- [Click here to access the complete guidelines for submission](#)
- Full papers have to be submitted in (Word) .docx format.
- Registration is mandatory upon acceptance of the abstract. The link to the registration form will be shared via email with the selected participants.
- **No abstract or full paper shall be accepted after the last date of submission.**
- Only the selected abstracts will be permitted for presentation.
- Co-authorship is permitted to a maximum of two authors and at least one author must attend the Conference to present the paper.
- All submissions must be the author's original and unpublished work.
- More than 10% similarity & more than 5% AI will attract immediate disqualification.

SUBMISSION PROCESS

The submission link for the full paper and payment will be shared through E-mail only to the participants whose abstract will be selected. [Submit Abstract Here: https://forms.gle/yj3DJwKGVhz7KcDyZ](https://forms.gle/yj3DJwKGVhz7KcDyZ)

MODE OF CONFERENCE HYBRID

IMPORTANT DATES

- Submission of Abstract- 10 FEBRUARY 2026
- Confirmation of Abstract- 15 FEBRUARY 2026
- Last date for Registration and Payment- 22 MARCH 2026
- Submission of Full Paper- 22 MARCH 2026
- Pre-Conference Workshop- 9 APRIL 2026* (Details will be shared through email)
- AINAT 2026 Conference- 10 -11 APRIL 2026

SCAN FOR ABSTRACT SUBMISSION

FEE PAYMENT

Step 1: Participants will have to make payment on the given bank details:

Bank Name: HDFC Bank Limited

Account Name: Manav Rachna University Operations

Account No.: 50200050331373

IFSC Code: HDFC0002549

Step 2: Fill out the registration form with all of the necessary information and add the screenshot of the payment details.

Note – Authors who are ready with the final papers before the submission deadline can directly send them via email to: ainat@mru.edu.in

REGISTRATION FEE

Amount (INR) Total Fees after Tax

UG/PG Students/ Research Scholars
Academicians
Industry Participants
International Participants
