

AWARDS FOR EXCELLENCE IN BIOTECHNOLOGY AND ARTIFICIAL INTELLIGENCE

DATE: 28TH MARCH 2026

POWERED BY: KNOWLEDGE STEEZ EDU HUB

**SUBMISSION DEADLINE:
10TH MARCH 2026**

SCAN TO REGISTER

**GUJARAT BIOTECHNOLOGY UNIVERSITY,
GIFT CITY, GUJARAT**

ABOUT THE AWARDS 2026

Knowledge Steez is immensely honored to introduce the 'Awards for Excellence in Biotechnology and Artificial Intelligence'. This prestigious event marks the first occasion in India. This award is established to honor organizations and academic bodies that have demonstrated a profound impact in the advancement of Biotechnology and Artificial Intelligence. We are looking to recognize institutions that serve as hubs for innovation, excellence, and ethical leadership in the field of Biotechnology and Artificial Intelligence.

APPLICATION PROCEDURE

To apply for the Awards for Excellence in Biotechnology and Artificial Intelligence, follow these steps:

- Entries to be sent to the given google form below:
<https://forms.gle/MohAXntYmASM4qhG7>
- Entries must encompass activities carried out during the last year, from January 1st, 2025 to December 31st, 2025.
- Submissions should be accompanied by supporting documents, including photographs of the work done by the committee/ institution/ organisation.

NOTE- There is no registration fee to register for the Awards.

EVALUATION CRITERIA

To be considered for this honor, an institution must demonstrate strength across these six core areas:

- **Research Excellence & Scientific Impact**

The committee evaluates the institution's overall contribution to the global scientific community. This includes the novelty of research programs and how they address major societal challenges, such as healthcare, food security, or computational ethics.

- **Collective Publication Record**

A review of the institution's output in top-tier, peer-reviewed journals. Focus is placed on the cumulative citation impact and the consistency of high-quality data produced by the organization's departments.

- **Innovation & Intellectual Property (IP)**

Evidence of a robust innovation ecosystem, including the filing of patents, the creation of proprietary software/algorithms, and the development of new biotechnological tools or platforms.

- **Grant Management & Funded Research**

A successful history of securing high-value, competitive grants from national and international funding bodies. This reflects the institution's credibility and its ability to sustain long-term, resource-heavy research.

- **Technology Transfer & Industrial Linkages**

The ability of the institution to move research from the lab to the market. This includes successful startup incubators, licensing agreements with private firms, and active industrial consultancy projects.

- **Organizational Leadership & Ethics**

The institution's role in shaping the next generation of scientists. This includes its commitment to doctoral training, infrastructure development, and maintaining the highest standards of biosafety and AI ethics.

AWARD FOR EXCELLENCE IN BIOTECHNOLOGY AND ARTIFICIAL INTELLIGENCE

Award will Include:-

- (1) Awards will be granted at the International Conference on Artificial Intelligence, Cyber Security & Biotechnology (AICSBC) 2026 on 28th March, 2026 at Gujarat Biotechnology University, Gujarat.
- (2) Memento and Certificate.
- (3) Opportunity to speak on behalf of your college/ university in the International Conference.
