## About Arthavanta LLP

Arthavanta LLP is an advisory, strategy, due diligence, and compliance-making firm serving businesses, corporates, startups, and institutions. It helps organizations manage complex regulations while building clear and practical business strategies.

The firm supports companies in moving from ideas to execution by aligning their goals with financial and regulatory requirements. Its advisory and strategy services guide growth and decision-making. Due diligence ensures careful evaluation of risks in investments, partnerships, and operations. Compliance-making focuses on building systems, policies, and controls to meet regulatory standards.

Arthavanta LLP follows an integrated approach combining governance and finance to create strong and scalable business structures. It emphasizes transparency, proper documentation, and disciplined processes to build trust with stakeholders.

Overall, Arthavanta LLP acts as a long-term institutional partner, helping organizations grow sustainably while maintaining compliance, credibility, and strategic clarity.

## About the Conference

Arthavanta LLP is organizing the **Global Conference on Corporate Governance, 2026** as a platform to examine evolving governance standards in a rapidly changing business environment. The conference will bring together corporate leaders, policymakers, regulators, academicians, and industry professionals to engage in structured discussions on governance practices, compliance frameworks, and strategic accountability.

The conference will focus on strengthening institutional integrity by addressing key themes such as board effectiveness, risk management, transparency, stakeholder accountability, and responsible decision-making. Special emphasis will be placed on the challenges faced by startups and MSMEs in adopting robust governance structures while scaling operations.

Arthavanta LLP aims to create a knowledge-driven environment that encourages dialogue, collaboration, and the exchange of best practices. The conference is designed not only as a forum for discussion but as a step toward building stronger, more transparent, and accountable institutions capable of sustaining long-term growth.
