ABOUT

Kanoria PG Mahila Mahavidyalaya Jaipur, Rajasthan

Founded in 1965 by the visionary philanthropist Late Bhagirath Kanoria, Kanoria PG Mahila Mahavidyalaya has completed six decades of excellence in women's education, empowerment, and holistic development. Over the past 60 years, the institution has emerged as one of Rajasthan's leading centres of higher education for women, nurturing generations of confident, capable, and socially responsible individuals. Situated on the picturesque Jawahar Lal Nehru Marg in Jaipur, the college was among the first women's institutions in the state to receive government grant-in-aid support, laying the foundation for a distinguished academic journey. With a legacy rooted in academic excellence and value-based education, the college offers a dynamic learning environment that blends tradition with innovation. The institution provides a wide spectrum of undergraduate and postgraduate programmes across disciplines including Arts, Science, Commerce, Fine Arts, Computer Science, Biotechnology, Business Administration, Fashion Designing, Nutrition, Extension Education and Development Communication. Alongside academic learning, the college emphasizes skill development, research, creativity, leadership, and community engagement to prepare students for the evolving global landscape. Spread across a lush 8.67-acre campus, the institution offers state-of-the-art infrastructure including well-equipped laboratories, smart classrooms, seminar halls, libraries, sports facilities, and dedicated spaces for cultural and co-curricular activities. The campus reflects a harmonious blend of heritage and modernity while fostering an atmosphere conducive to intellectual growth and personal development. Sustainability and environmental consciousness remain integral to campus life, encouraging students to become responsible global citizens. At the heart of the institution is a committed faculty that mentors students with academic guidance and personal support. The college takes pride in its accomplished alumni who continue to excel in diverse professional fields and contribute meaningfully to society. With its enduring commitment to empowering women through education, Kanoria PG Mahila Mahavidyalaya continues to inspire young minds and shape future leaders equipped with knowledge, confidence, and values.

Inspira Research Association-IRA Jaipur Rajasthan, India

The **Inspira Research Association-IRA, Jaipur**, India is a registered leading organization of academicians, professionals and researchers for research development and advancements, established in 2011. The IRA provides support and services to educate professionals and researchers around the world, especially those from the developing countries. Inspira Research Association (IRA) is an association of professors, directors, managers, academicians, researchers and students from various fields, including commerce, management, economics, public administration, social science, computer science, political science, education and information technology etc. The Association has been organizing National and International Conferences, Seminars, Workshops, Webinars, FDP's and Live Sessions regularly with certain special features such as availability of complete recording of the academic programmes at IRA Youtube channel, opportunity to publish papers in National and International journals and in ISBN Books & Conference Proceedings with ISBN in addition to paper presentation in the conference etc.

Invitation

ICT/MRI HYBRID 2026

The **Kanoria PG Mahila Mahavidyalaya, Jaipur, Rajasthan** consider it as a privilege and matter of great pride to host the International Conference on **August 24-25, 2026** in association with **Inspira Research Association, Jaipur, Rajasthan**. The conference would provide a forum for interface on Global Economy, Artificial Intelligence, Education & Environmental Sustainability through multidisciplinary research and innovations. It would create an edge among Management Professionals, Academicians and Researchers in the field of present global requirements. We cordially invite you all to participate in the conference and contribute papers in four technical sessions based on the themes & sub-themes defined. We request you to take advantage of the opportunity to interact with academicians, eminent scholars, management professionals, researchers and distinguished speakers from all over the India & abroad.

OBJECTIVES OF THE CONFERENCE

- To provide a platform to discuss future Perspectives on Research and Innovations in Global Economy, Artificial Intelligence, Education & Environmental Sustainability and others areas in the filed of research.
- To explore real life examples and novel ideas in the stream of Commerce, Management, Education, Information Technology, Cyber Security, Economics, Humanities, Environmental Sustainability, Applied and Social Sciences.
- To exchange and share experience of experts and leading academicians on the subject.
- To discuss the strategies to be adopted by business organisations post covid.

RULES AND REGULATIONS

- e-Conference proceeding book of abstracts with ISBN will be provided to all registered participants.
- Publication opportunity in National/International Peer Reviewed Refereed Journals with high impact factor including Crossref DOI (Category-II/III) & Edited ISBN Book (Category-IV).
- Best paper awards.
- IRA Academic Excellence Awards (August 2026).

TECHNICAL SESSIONS & SUB-THEMES

Technical Session - I

Digital Transformation, Artificial Intelligence & Emerging Technologies

- Artificial Intelligence, Machine Learning & Deep Learning
- Data Science, Big Data Analytics & Cloud Computing
- Internet of Things (IoT), Blockchain & Cybersecurity
- Industry 4.0, Smart Manufacturing & Automation
- Smart Cities, Digital Governance & E-Governance
- FinTech, Digital Banking & Financial Inclusion
- Information Technology and Digital Innovation
- Cloud Computing and Edge Computing
- Cybersecurity, Data Privacy, and Digital Trust
- Blockchain Technology and Decentralized Applications
- Robotic Process Automation (RPA) and Intelligent Automation
- Explainable AI (XAI), Responsible AI, and AI Ethics
- Digital Twin Technology and Smart Systems
- Augmented Reality (AR), Virtual Reality (VR), and Extended Reality (XR)
- FinTech, Digital Banking, and Financial Technologies

Technical Session - II
Business, Management, Economics & Sustainable Development

- Business Management and Entrepreneurship
- Finance, Accounting & Banking
- Marketing, Consumer Behaviour & Digital Marketing
- Human Resource Management & Organizational Behaviour
- Economics, Public Policy & Development Studies
- Corporate Governance, ESG & Sustainability

- International Business, Global Trade, and Economic Integration
- Supply Chain Management, Logistics, and Resilient Operations
- Micro, Small and Medium Enterprises (MSMEs) and Economic Development

Technical Session - III

Social Sciences, Education, Law & Public Administration

- Education, NEP 2020 & Educational Technology
- Psychology, Sociology & Social Work
- Public Administration & Governance
- Law, Human Rights & Constitutional Studies
- Gender Studies, Women Empowerment & Social Inclusion
- Rural Development & Community Participation
- Media, Communication & Journalism
- Library & Information Science
- E-Governance and Digital Public Administration
- Public Policy Analysis and Good Governance
- Sustainable Development and Public Administration
- Constitutional Law and Contemporary Legal Issues
- Human Rights, Gender Justice, and Social Equity
- Cyber Law, Data Protection, and Digital Rights
- Environmental Law and Climate Justice
- Criminal Justice System and Legal Reforms

Technical Session - IV

Science, Engineering, Health, Agriculture & Environmental Sustainability

- Engineering and Applied Sciences
- Environmental Science & Climate Change
- Renewable Energy & Green Technologies
- Agriculture, Food Security & Agri-Innovation
- Biotechnology & Life Sciences
- Healthcare, Public Health & Medical Sciences
- Pharmacy & Nursing
- Physics, Chemistry & Mathematical Sciences
- Disaster Management & Sustainable Development Goals (SDGs)
- Biotechnology, Bioengineering, and Life Sciences
- Healthcare Technologies, Telemedicine, and Digital Health
- Public Health, Epidemiology, and Healthcare Management
- Medical Sciences, Pharmaceutical Research, and Clinical Innovations
- Precision Agriculture and Smart Farming
- Agricultural Innovation, Agri-Tech, and Rural Development
- Sustainable Agriculture and Organic Farming

ICT/MRI HYBRID 2026

ANY TOPIC OTHER THAN ABOVE RELEVANT TO THE THEME/SUB-THEMES IN ALL OF THE SESSIONS

ABOUT JAIPUR

ICTIMRI
HYBRID 2026
Hybrid Mode (Offline & Online)

Jaipur, the capital city of Rajasthan, is one of India's most iconic and culturally rich destinations, popularly known as the "Pink City" due to its distinct rose-colored architecture. Founded in 1727 by Maharaja Sawai Jai Singh II, Jaipur is India's first planned city and reflects a harmonious blend of historical grandeur and modern urban development. Renowned for its magnificent forts and palaces such as Amber Fort, City Palace, Hawa Mahal, and Jantar Mantar (a UNESCO World Heritage Site), Jaipur stands as a symbol of India's royal heritage and architectural excellence. Beyond its historical significance, Jaipur has emerged as a growing hub for education, tourism, handicrafts, startups, and industrial development, making it an important center of learning and innovation. Well connected by air, rail, and road, Jaipur offers excellent infrastructure, comfortable accommodation facilities, and warm hospitality. The city's vibrant culture, traditional cuisine, colorful markets, and rich art forms provide a memorable experience for visitors from India and abroad. Hosting the conference in Jaipur offers participants an enriching academic environment complemented by cultural immersion, making it an ideal destination for intellectual exchange and collaboration.
