ABOUT THE FORUM

The Indo-Global Academic Leadership Forum is a one-time, Completely online event that brings together vice-chancellors, deans, directors, and academic leaders from universities and colleges across the world and from India. Its purpose is to help international institutions build and expand academic ties with Indian institutions, with a special focus on Law, Management fostering interdisciplinary engagements.

There is no travel and no physical venue. Every session takes place online, so leaders from any country can take part from their own campus or office.

PURPOSE

- **Connect international universities and colleges with Indian academic institutions**
- **Open conversations on joint programmes, student and faculty exchange, and research collaboration.**
- **Explain India's framework for foreign academic collaboration**
- **Help law and management institutions find the right partners in one place**

WHAT THE FORUM OFFERS

- **Opening address:** The case for India-global academic collaboration
- **Law education session:** Joint degrees, clinical legal education, moot courts, and research partnerships in arbitration, IP, and technology law
- **Management education session:** Dual degrees, executive education, case-study collaration, and student immersion programmes
- **Regulatory briefing:** How foreign collaboration works in India (twinning, joint and dual degrees, credit transfer)
- **Leadership panel:** Academic leaders from India and abroad share lessons from successful partnerships
- **Partnership matchmaking:** Online breakout rooms where institutions meet potential partners in law and management

HOW TO REGISTER

1. **Fill in the online registration form (institution name, country, areas of interest in law and/or management, nominated representative)**
2. **Receive confirmation from the organising team**
3. **Indian institutions complete the one-time payment of Rs. 30,000/- and the international institutions do not need to pay the registration fees.**
4. **Receive the online joining link and event schedule**
